(From Pirates of the Caribbean)

Overview of the Remote Possibility of the 7th Seal Already Being Open

I don't subscribe to this theory but there are perhaps some interesting points to it. I will attempt to summarize some of them here.

For reasons I believe the 7th seal is yet future, see my earlier writings on the last days in this text.

The general appearance in the church manuals is that each seal is a 1000-year period and that the 7th is year 2000-3000 generally.

The earthquake of the 6th seal could have been the one near the opening thereof which killed many millions, I forget where, it's been a while since I studied this.

The Jupiter & Saturn alignments in 2000 and 2020 could indicate book ends of the half hour of silence (about 20 years in God's time).

Some say President Hinckley in the temple dedication in 2000 spoke of us now being in the 7th seal.

What of the calling of the 144,000 that takes place in the 6th seal? Perhaps it has taken place among the ten tribes already. They are together as a body either in a hidden north location or on a removed portion of earth, and perhaps in whatever their location they could be already set apart as the 144,000.

There was the April 6 Palmyra temple dedication in 2000 which some say fulfilled the revelation scripture as it was the first worldwide dedication (over 1,300 sites), so we have people all around the world waving the palm (white handkerchiefs representing such) in their 'white' (it was temple recommend only admittance). This temple was the 77th dedicated and the 100th announced. It was dedicated 170 years from the church being organized. The Hosanna shout done there means "god save us" and aligns with Rev. 7:9-11.

Here is that scripture (Rev. 7:9-11): "9 After this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands;

10 And cried with a loud voice, saying, Salvation to our God which sitteth upon the throne, and unto the Lamb.

11 And all the angels stood round about the throne, and about the elders and the four beasts, and fell before the throne on their faces, and worshipped God,

12 Saying, Amen: Blessing, and glory, and wisdom, and thanksgiving, and honour, and power, and might, be unto our God for ever and ever. Amen."

The JST on the Revelation verse (I think its on the one about the half hour of silence, that or one about the last days in general) specifically points us to the conversion factor of 1 day to God means 1000 years to us, and tells that we should apply that to the last days in particular.

There was the 9/11 terrorism attack which could have indicated the beginning of the half hour of silence. It could be a token event of the covenant blessings of God being removed.

Some say the Rome temple dedication fulfills on some level the Revelation scripture about the 24 elders and 4 beasts worshiping God in the city that slew the saints. There were all of the 12 apostles, statues of the original 12, the 3 of the 1st presidency, and the

Christ statue. That makes 24 and 4, and they are worshipping God in that place where there were so many martyrs.

There is the Vaughn J Featherstone capsule of 50 years to be opened soon which speaks of the millennium already having begun. Some have said however that this would be a time of living in New Jerusalem before the Universal Millennium, as Featherstone himself would be there anyway if it was during the millennium when the righteous are risen. Perhaps, perhaps not. Perhaps it was a letter to demonstrate prophecy, even if he is already resurrected / present for its opening.

Perhaps the saints were just too wicked to redeem Zion a long time before Christ's return, perhaps Christ's return is sooner than we think.

If the half hour of silence began around year 2000 as indicated by an opening of the 7th seal at that time, we are looking just around the corner for that half hour of silence to be fulfilled.

Perhaps the Corona Virus of 2019 December – 2021 (present) is a token illness representing God's wrath to come upon the wicked before the end. Perhaps it evokes the economic downfall soon to come which could lead to great wars, civil and otherwise. Some say this plague is too weak and more major plagues are coming. I would generally agree with that, but it is **odd timing that the "plague" started right at 2020**, the theoretical ending of the half hour of silence. Perhaps there was a half hour of more or less peacefulness, then after that things crank up, after that half hour of silence, and the corona is the beginning of all that, a chance for those semi-awake to get more awake and prepared.

Perhaps the President Hinckley in 2001 Oct. General Conference talk in which he indicated that what Moroni told Joseph was not yet fulfilled is now fulfilled in 2001 has to do with much fulfilment of transition into 7th seal.

April 2020 General Conference was unique, we made a proclamation to the world on the restoration.

Sister Nelson did say these days are more latter than we realize. President Nelson did say we are in the latter part of the latter days. I had a stake president in 2021 tell us to prepare as though the Savior were coming at the end of this year.

Those who say we are still in the 6th seal speak of a difference between the "opening" of the seals, and the seals themselves. They suggest the opening are a series of events which take place at the end time which represent the 1000-year periods, not that the scroll seals are opened at the literal beginning of each 1000 year period. Perhaps there is some truth to both.

If 7th Seal Opened Y2K, Why Didn't The Millennium Begin? D&C 77:13

D&C 77:13 speaks of **plagues to happen BETWEEN the time of the 7th seal opening & the Lord's return**, this COULD indicate we are in that window now: "13 Q. When are the things to be accomplished, which are written in the 9th chapter of Revelation? A. They are to be accomplished after the opening of the seventh seal, before the coming of Christ."

Goddard's Summary of Why 7th Seal Y2K & ½ Hr. Silence 2,000-2,020

From the public Goddard slides:

The Seventh Seal Opened

☞ April Conference 2020 like none other:

- ☞ Celebrating the 200th anniversary of the first vision
- ☞ No audience in the Conference Center, temple in China and Dubai
- ☞ Proclamation to the world of the restoration of the fullness of the gospel
- ☞ Those prepared by prophets for a "Home Centered Church" will watch from their homes in the midst of a global pandemic
- ☞ April 6, 2000 Palmyra, NY Temple Dedication
- ☞ 77th Dedicated temple, 100th announced temple
- ☞ Exactly 170 years from the church organization
- ☞ First temple dedication to be broadcast via satellite to every tongue and people
- ☞ Over 1,300 sites, dressed in white, waved white handkerchiefs representing palm leaves, representing the phrase "God Save Us" Rev. 7:9-11
- ☞ Then ½ hour of silence in heaven (20.8 years). Then tribulations.

I would add that the trumpet falling from the SLC temple (March 18, 2020) and the earthquake associated therewith is highly significant. I would also add the calling home of the missionaries and closure of the temples.

Ryan Allen Timeline Overview

From Goddard public slides, Allen video link below:

2 Half Hours of Silence Theory

Brent Goddard suggests that it could be that one of these was an about 20 year period, and another is a half hour 30minute period. This could resolve some issues.

Perhaps Rev. is a 20 year period half hour, and D&C 88 is a 30 minute half hour after that.

D&C 88 was given in 1833, and it says “not many days hence” for many natural disasters and signs, and it speaks of a half hour of silence after that stuff, after which saints are caught up.

Kent Blackhurst suggests that there could have been the 1st 20 year half hour from about 2000-2020, and another which will come after the coming of the Lord at the Mt. of Olives and before the great and dreadful day when the Lord appears to all the world in glory to consume the wicked.

Others say that the half hour spoken of in the book of revelation and the half hour spoken of in the book of the D&C are one and the same.

The Great Tribulation (Rev. & Daniel) – Aaron Ellis

The Great Tribulation

- Revelation 11:2, 3
- 2 "... and the holy city shall they tread under foot forty and two months.
- 3 "And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and threescore days in sackcloth."
- 42 months and 1,260 days are approximately 3.5 years
- 7 Year Tribulation Period = 2 portions of 3.5 years

The Great Tribulation

Rev 7:13-14

13 "And one of the elders answered, saying unto me, "What are these which are arrayed in white robes? And whence came they?"

14 "And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of **great tribulation**, and have washed their robes, and made them white in the blood of the Lamb."

Joseph Smith – Matthew 1:18

18 "For then, in those days, shall be **great tribulation on the Jews, and upon the inhabitants of Jerusalem**, such as was not before sent on Israel, of God, since the beginning of their kingdom until this time; no, nor ever shall be sent again upon Israel."

The Great Tribulation

Dan 12:1

1 "... and there shall be a **time of trouble**, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book."

Dan 9:27

27 "And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate."

Daniel 70 Weeks Prophecy – Aaron Ellis

Daniel's Prophecy of Seventy Weeks

- Biblical principle that a "day" is the equivalent of a "year" (Ezekiel 4:4-6, Numbers 14:33-34)
 - → 1 day = 1 year
 - → 1 week = 7 years
 - → 70 weeks = 490 years
- The 70 weeks (490 years) are broken up into three periods of time
 - → 62 weeks = 434 years
 - → 7 weeks = 49 years
 - → 1 week = 7 years
- The 70 weeks begin when the commandment is made to restore Jerusalem

Why I like Kent Blackhurst

We may be further than I thought.

Kent Blackhurst doesn't make things crazy, he points out natural fulfillments. That makes sense! We don't need strange things, gods ways are plain.

The signs should NOT be detectable to the spiritually asleep. So they're just quiet enough.

Kent uses lots of living prophets in his analysis.

His teachings brought great peace and joy to my heart.

Pt 9 <https://youtu.be/Lvr3IIxo4jw> Summary

The presented order of events:

Opening of 7th seal (year 2000)

Half hour of silence (year 2000-2020)

2020 earthquake, SLC temple trumpet falls, the icon of the church

WW3 Oct. 2020

Then 3.5 years of tribulation, saints in Zion are spared

Armagedon around 2027

Then Christ appears on Mt. of Olives (the Jews are converted, and the continents recombine)

Then a half hour of silence of ~20yrs. of global missionary work to the nations of the Arabs etc., preparing all who will stand with the Lord and not be burned at the Lord's coming in glory to the world. A time of great missionary work!

Some notes:

Hinckley a prophet seer and revelator in 2000 (or 01?) says Joel's prophecy was already fulfilled, shows 6th seal closed, 7th open.

6th seal sun darkened, this is when the dark ages occurred. The Stars fell from the heaven symbolizing many leaving the faith.

The heavens unrolled as a scroll, unprecedented scientific advancement.

There were about 144k high priests in the church by the turn of the millennium into year 2000.

(Note- we probably all have some of the 12 tribes in us, mixed.)

Nelson recently changed high priests quorum to only those who are currently in the leadership positions, perhaps to make it very clear who the 144k are. Wow!

This number is also symbolic and also includes saints from earlier years of the Earth and it wasn't quite 144k at the turn of the millennium if you're only counting living church leaders

But adding in sister leaders would make it a lot more to

Great tribulation? Many plagues and major wars in 20th century. But there's also "the" great tribulation.

Temples in enough time zones, people serving in them night and day.

Palmyra temple dedication 77th temple announced and 100th dedicated, seen by people all around the world due to the broadcast, right at opening of 7th seal.

It's not the 11th hour it's like 2:00 a.m. when you'd expect a thief

The 11th hour in Hebrew means the last part before the next day of 6:00 a.m. work starts

The trumpets angels being given with some time between them allows for this to happen and the Lords return to be as a thief in the night.

Nelson says we are the people nephi saw in vision

The 2020 apr? Gen conf it was said we are those who were seen coming out of tribulation.

5mo scorpions, locusts: the China covid lockdown of terror where millions had no food, was 5 months. Locusts mean no food.

Oct 2020 ww3

Mount of Olives and continents come back together, then 20 yrs of preaching to heathen nations before the burning of the wicked

Gathering to Zion done (?)

Trumpet fell off temple this was the great earthquake

5 angel trumpets already sounded

Conf. quote of how the words temple and Zion belong in the same sentence.

The hail stones the weight of a talent are bombs, they didn't have a word for that. (makes sense they'll come with fire; in the time of Moses this may have been comets rather than hale)

The water of Egypt to blood was via a culture of microbes with a red color, which gave off a gas killing fish, etc.

The 1/3 of the sea creatures dying etc., that can all take place only in the east in a few bodies of water. Areas near Israel.

The wormwood, waters poisoned, this is done, you can't drink any freshwater now without a filter due to acid rains.

Quotes prophets saying that to those with eyes to see the signs of the times are happening now abundantly.

Dead sea healed doesn't need to be before the coming at mt olives. The living waters flow there only after they accept Christ. So it's before the coming to burn the wicked.

Levites converted, make a last sacrifice knowing it's of Christ, then the temple used for non blood sacrifice.

Temples destroyed refers to completed restoration events

1/3 of businesses were closed during covid many wouldn't reopen. Fulfills revelation about 1/3 less light. It's the desolating scourge, seen by the generation of people at the time of the 1950s return of Jews to Israel.

5mo China covid lockdowns like locusts witholding food, great screaming terror, among non-Christian nation, so those without the mark of God, and they didn't hurt the grass only the people.

After the wars is when AoA happens

Russia is Gog Magog

The two witnesses likely LDS apostles of our time

Noah & Elijah were translated so that they could go to Jesus in a corporal state to give keys to Jesus and later resurrected they gave those same keys to Joseph Smith and Oliver cowdry

The two LDS apostles could spend much of the three and a half year ministry largely unnoticed especially if they're on good terms with the leader of Israel they could go unnoticed until they call down plagues etc

The saying of one of the witnesses being named David is probably more likely talking about Jesus

Lion as Iraq and Iran which were Persia

Bear Russia.

The beast that was and is not and yet is is Palestine the organization that wants all the Jews out. Only some recognize it.

Lect 7 49min, every 6 min a Christian does for his faith. Other info too.

The time of the gentiles will be fulfilled when Christ comes to the Mount of Olives then the Jews are converted and the heathen Nations begin to be preached to for a half hour of silence 20 years.

The 10 tribes return after the Mount of Olives when we are doing the mission to the heathen Nations

Closing of temples in March of 2020 was the beginning of the ending the daily sacrifice and it would be 3 and 1/2 years after that that a great woe would happen for 12 mo

Thomas Ford was an antichrist bringing down Joseph and Hiram and resulting in destruction of nauvoo Temple holy sanctuary fulfilling prophecies of Daniel

Mt olives appearance of Christ before we return to Missouri.

Missouri already desolated no yellow dog at civil war. Could be again.

Mcconkie says the people not the land of the city of Enoch were taken up.

Be willing to share food storage.

Not everyone needs to go to Missouri but the Church headquarters will be moved there

Ezra's eagle prophecy

At the time of the first vision there were 10 kingdoms from Rome this is the only time and this was fulfilled perfectly

Mark of beast: we already use a bar code which begins in 6, has a 6 in the middle, and another 6 at the end.

7th Seal Theory Timeline Overview

For details as to why I've placed events where I have, refer to the original full length calendar.

Seals are 1000-year periods of the Earth's 7000-year temporal lifespan, as revealed in the D&C. 1st seal: 4000-3000BC (bible dictionary places Adam around 4000BC). 2nd seal: 3000-2000BC. 3rd seal: 2000-1000BC. 4th seal: 1000BC-0AD. 5th seal: 0-1000AD. Christian martyrs (see book Foxes Book of the Martyrs). 1000-2000AD 6th seal (the signs of the times). 2000-3000AD 7th (final) seal (the grand millennium). Half hour of silence (God's time half hour is about 21 years) after 7th seal opens, before final events & Christ's return.

1000-2000 6th seal. Major earthquake in 1202 in Jerusalem killing over 1 million fulfilled the great quake. Church grows significantly, causing the calling of the 144,000 to be complete.

2024 eclipses of 2017 & 2024 X out Missouri, possible meteor hits it, ground ready for New Jerusalem construction.

2024 Daniel's '70 weeks until the end' prophecy completed.

Possible meteor hits Utah area, triggering Yellowstone volcano, releasing the abyss, "upon my house (Utah) shall it (desolating scourge) begin". New Jerusalem built in Missouri. Christ regularly appears there. Many gathered. Lost tribes return. Much missionary work.

2024 Possible Adam-Ondi-Ahman, the battle of Armageddon, the 3rd Temple of Jerusalem, building of New Jerusalem, the return of 10 tribes, etc. 3 prophets at Jerusalem

2027 Armageddon. Then bury dead for 7 years.

2033/34 open Elder Featherstone's 50 year time capsule which proclaims the Second Coming has occurred already (but which part? The

coming to the New Jerusalem, not to the whole world, lest Featherstone himself already be there resurrected).

Eclipses of 2027 & 2034 cross out Old Jerusalem (just like the 2017 & 2024 crossed out New Jerusalem). destruction imminent. More precisely its over Egypt. The Book of Revelation essentially describes plagues of Egypt repeating (but on a larger scale). Christ to Mount of Olives, then sometime thereafter (could be a while), grand Second Coming (the great and dreadful day when Christ comes to all the world, torching whatever dross remains). 1st Resurrection occurs. 2000th anniversary of the resurrection of Christ. Mirrors when resurrected Christ came to America around 33/34AD.

Calendar Items of Last Days Past & Future According to 7th Seal Y2K Theory

Note: I don't subscribe to the theory of 7th seal opening at year 2000, I think it is yet future as some things likely havne't happened which must happen in the 6th seal. There is however a possibility. Also note that within that possibility, various scenarios are possible, all of which are not listed here. Many place the "7 year tribulation" from 2017-2024, though it could well be happening 2022-2029, or 2024-2031, 2020-2027, etc.

-2000 – 2024 Some suggest the Revelation 8 trumpets which sound take place concurrently within the half hour of silence and beyond. See this <https://youtu.be/mLkUwmPMv-Y> by Kent Blackhurst

-1000-2000 In the 6th seal the signs of the times came to pass, as stated in the book of Revelation. Consider this evidence: The sun being darkened is

fulfilled literally by all the solar eclipses and spiritually by the dark ages. 1095 to 1492 was when these last crusades were and then Columbus did his work, bringing light. 1918 the Spanish flu began suddenly killing 50 million; double the black plague deaths around 25 million in the 14th century. The Moon being turned to blood is fulfilled in lunar eclipses but also spiritually by warfare on the Earth and we had major world wars etc. 108 million people were killed in wars in the 20th century which makes it the bloodiest century to date. 138,370 million deaths occurred due to genocides in the 20th century. The heavens opening as a scroll symbolizes the restoration happening, and other knowledge (perhaps the renaissance, the enlightenment, etc.). Stars falling can mean apostasy. Leaves shaking off the tree blowing about in the wind is also symbolic of people going with whatever doctrine is popular. Mountains and islands moving can be slow and imperceptible an analogy a spiritual level for this is like the gospel moving forward sometimes it goes forward without much perception of the people at large. The mountain is also a symbol of the temple we have temples moving across the entire Earth. And they move wickedness out of their place. Who shall be able to stand and they moved into caves this actually happened after the 1202 earthquake they went to live in caves because they were tired of their houses collapsing on them. Hiding in caves on the metaphorical level is how people want to hide their sins from God at the time of his return etc. Hiding in the dens and the rocks is also symbolic of how rocks symbolize Jesus so a lot of people say they believe in God and they try to hide their lifestyles under that professed religion.

(These insights from Kent Blackhurst's 6th seal lecture at <https://youtu.be/q1rNdRhEAQc>) (More on genocide statistics: <https://ourworldindata.org/genocides>)

-1000-1200 Great earthquake as recorded in Anglo Saxon records, kills many. Fulfills prophecy of great earthquake which happens shortly after the 6th seal open.

-**1202** in Syria an earthquake where over a million people died this was at a time when there are only about 350 million people on earth. The kingdom of Jerusalem as it was called back then was hit very severely. (Shared by Kent Blackhurst in 6th Seal lecture <https://youtu.be/q1rNdRhEAQc>) Fulfills prophecy of great earthquake which happens shortly after the 6th seal opens.

2000 7th seal opened. Symbolized by world-wide Palmyra Temple dedication, fulfilled Revelation scripture about massive congregation worshipping God at beginning of 7th seal.

2020 Half-hour silence possibly ended. Corona plague drama begins. 7 trumpets of destruction impending. Trumpet falls from SLC Temple during a symbolic earthquake. Missionaries called home from all around the world. Temples close. World shuts down due to a virus, millions of businesses permanently close.

2021 Spring: Half hour of silence certainly ended. US Civil War 2. Europe falls. Saints persecuted. Food storage needed. President Benson's 40-year warning time fulfilled. Elder Bednar's 5-year window before one of Christ's comings is fulfilled, some possibly see Christ & are translated preparing them to endure the forthcoming tribulations.

-**1830** Joseph Smith said the calling of the 144,000 had commenced sometime hereabouts.

There were around 143,000 congregation leaders as of 2019, add in the Seventies etc. it's a bit more, around 146k. This shows that the 144k were indeed 'called' in the 6th seal (before the year 2000). The 6th seal was set apart for the signs of the times, the preparing the way of the Lord, the establishment of the latter-day church and significant growth therein. The 144k may be symbolic meaning all those who uphold the church and preach the gospel, but we see it also has literal fulfillment. Translation

could keep church leaders, missionaries, Zion builders etc. alive during tribulations so the kingdom can continue on even when many die. 144,000 being sealed refers at least in part to members of the restored church getting their endowments in the temples which strengthen them to endure the trials of the seventh seal. 12 in Hebrew represents the leadership and 144 is a multiple of 12. At the end of 2019 there were 143500 local high priest leaders. Add general authorities '70s Mission presidents etc. and you have over 146,000 church leaders high priests. if you're included the female leaders this is much higher number. At the turn of the century around year 2000 the number wasn't quite that high but you must remember that the number of the 144,000 was starting to already be called in the days of Joseph Smith. This number being the church leaders generally make sense because their goal is to bring everyone to exaltation in this celestial kingdom as many as they can and exaltation in the celestial kingdom is the Church of the firstborn. (These ideas & statistics from a lecture Kent Blackhurst about the 6th seal events at <https://youtu.be/mLkUwmPMv-Y>) (Some balk at the 144k being church leaders generally seeing as church leaders sometimes don't live the gospel but remember 1. Don't be an accuser of the brethren. 2. God works through imperfect people. 3. The 144k may be a symbolic number and include many more than just the official church leaders. 4. The wicked will be cut off, church leader or no.)

-2000-2020 Possible some trumpets have sounded already. John's first trumpet fulfilled tons of fire in last two decades. Second trumpet fulfilled too tons of volcanoes and quakes, near them water as blood. Third trumpet fulfilled by acid rain it's way worse than it used to be. The next trumpet of the sun being darkened might come to pass in 2021 at the midpoint of the tribulations. after the first 4 trumpets there comes a whoa meaning everyone is going to say whoa I can't believe this is happening super big epic. With the fulfillment of these first three trumpets and the

signs in general remember the world at Large is asleep to them. 68 million refugees in 2017. This along with the sex trafficking and a lot of other drug cartels and things like that make it a good time for fulfillment to tribulation prophecy. (This info was shared in a lecture at <https://youtu.be/mLkUwmPMv-Y> by Kent Blackhurst)

Also on earthquakes, this analysis from Kent Blackhurst: In the 1960s and 70s and 80s it was about 41 earthquakes per year that caused major killing and in '90s to year 2000 it was about 60 per year which is a 50% increase then 336 of these type of earthquakes from around 2011 to 2020 which is over an 800% increase. (see his 6th seal presentation: <https://youtu.be/q1rNdRhEAQc>)

See D&C 77:7 description of seals being 1000-year periods, “7 Q. What are we to understand by the seven seals with which it was sealed? A. We are to understand that the first seal contains the things of the first thousand years, and the second also of the second thousand years, and so on until the seventh.”

-2000: after the 7th seal opens, the half hour of silence begins. This silence could be minimal natural disasters. This silence could also be a period of the woman being with child but not yet in labor. This silence could also be a period of preparations before major warnings return to the General Conference messages.

-2000: April 6: Rev. 7:9-15 fulfilled, end of the 6th seal, start of the 7th seal: Palmyra New York temple dedication. This was the 1st temple dedication worldwide broadcast at stake centers to temple recommend holding adults and those 12 and above. Palmyra was the 70th Temple

announced and the hundred Temple in operation it also has serious connections to church history. Those in attendance at the temple wore white. White handkerchiefs were waved symbolizing the ancient palm leaves. The hosana shout may be the same words as John foresaw, but the Book of Revelation has been through several translations obscuring this. The prophecy says this event will be an innumerable multitude, but the world-wide aspect of this fulfills that. Innumerable often is symbolic. For example: Christ says he has made worlds without end. Elsewhere, Christ says his works are all numbered. Some suggest the Navoo temple dedication in 2002, the only other world-wide temple dedication broadcast, may also fulfill this scripture.

For reference, here is Rev. 7:9-15: “9 After this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands; 10 And cried with a loud voice, saying, Salvation to our God which sitteth upon the throne, and unto the Lamb. 11 And all the angels stood round about the throne, and about the elders and the four beasts, and fell before the throne on their faces, and worshipped God, 12 Saying, Amen: Blessing, and glory, and wisdom, and thanksgiving, and honour, and power, and might, be unto our God for ever and ever. Amen. 13 And one of the elders answered, saying unto me, What are these which are arrayed in white robes? and whence came they? 14 And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb. 15 Therefore are they before the throne of God, and serve him day and night in his temple: and he that sitteth on the throne shall dwell among them.”

-2000 and 2020: Hosana shouts signify the approximate opening and closing of the half hour of silence. 2000 via the Palmyra temple dedication and again in the 2000 conference center dedication. Then at the 200 year anniversary of the First Vision another hosana shout 202.

-2000 and 2020: At these times were the closest times when Jupiter and Saturn overlapped in the night sky. Jupiter is known as the king planet, symbolizing Christ. Saturn is known as the harvest planet due to its rings which look like a scythe or sickle. These could suggest that Christ is completing his harvest, or about to separate the wheat from the tares. It could symbolize the opening and closing of the half hour of silence.

-2000 Spring: 2 hosana shouts: one at Palmyra temple dedication, another at conference center dedication at general conference, which was televised world wide. These are indicative of the 7th seal having opened.

-2017 – 2024 Many suggest this is the last week of Daniel's 70 weeks prophecy, and the time of "Great Tribulation" spoken of in JST Matthew, the book of Revelation, book of Daniel, etc., being the two 3.5-year periods of tribulation. The second of these 3.5-year periods is to be far worse than the first, such as a woman in labor pain becoming dramatic toward the end. My mother described it, 'when you think you're about to die, you finally deliver.' Here are a few lectures which analyze this time period: <https://youtu.be/mLkUwmPMv-Y> by Kent Blackhurst and <https://youtu.be/dgvMRA4NRsQ> by Aaron Ellis.

-2018 December: Levites dedicated the 3rd temple of Jerusalem altar; in April of 2019 they did a Passover sacrifice. About 2 years and 2 months before the second Jerusalem Temple was built a cornerstone and altar were built so if history repeats itself about 2 years in 2 months after this dedication of the 3rd Temple altar will come the construction of the 3rd Jerusalem Temple which would put us in spring of 2021.

(The group of Levites claim to have kept their lineage pure these thousand years and if that is the case they are priests in the Aaronic priesthood and need no ordination.)

-**2019** there were around 143,000 congregation leaders as of 2019, add in the Seventies etc. it's a bit more, around 146k. This shows that the 144k were indeed 'called' in the 6th seal (before the year 2000). The 6th seal was set apart for the signs of the times, the preparing the way of the Lord, the establishment of the latter-day church and significant growth therein. The 144k may be symbolic meaning all those who uphold the church and preach the gospel, but we see it also has literal fulfillment. Translation could keep church leaders, missionaries, Zion builders etc. alive during tribulations so the kingdom can continue on even when many die. (The statistics of 143k congregation leaders as of 2019 etc. as shared here are from a lecture Kent Blackhurst about the 6th seal events at <https://youtu.be/mLkUwmPMv-Y>)

-**2019 April?** Sons of Levi (Levites) start doing temple Passover sacrifice rituals. See Levites website (?). This could begin to fulfil LDS & biblical prophecies that the time for the Aaronic priesthood is about to be complete, and that, as Joseph Smith taught, blood sacrifice would be a part of the restoration of all things in the last days.

(Note, some say it is apostate to consider these Levites outside the church as fulfilling prophecy of the 3rd Jerusalem temple. I include the idea here as an unlikely possibility.)

-**2020 April:** General conference hosanna shout, likely symbolized ending of half hour of silence. The half hour of silence opened with a hosanna shout at the year 2000 and ended with this hosanna shout.

-**2020/2021** Half hour of silence ending indicates plagues/tribulations now begin: "If the time here mentioned is 'the Lord's time' in which one day is a thousand years, the half hour would be some twenty-one of our years. Could this be interpreted to mean that such a period will elapse after the commencement of the seventh thousand-year period and before the outpouring of the woes about to be named?" Bruce R. McConkie, The

Millennial Messiah: The Second Coming of the Son of Man (Salt Lake City: Deseret Book, 1982), p.382

JST 2 Peter 3:8 specifically says the conversion of time into God's time is how we discern the time of the Lord's return. It says, "but **concerning the coming of the Lord** beloved..."

D&C 38:11-12 says the silence is from the wickedness, and that after it the angels plague everyone.

"**11** For all flesh is corrupted before me; and the powers of darkness prevail upon the earth, among the children of men, in the presence of all the hosts of heaven—**12** Which **causeth silence to reign**, and all eternity is pained, and the angels are waiting the great command to reap down the earth, to gather the tares that they may be burned; and, behold, the enemy is combined." (D&C 38:11-12)

And D&C 88 talks about the half hour of silence before the Lord comes too.

Revelation says it is "about" half an hour. D&C says exactly half an hour.

This fits well with the half hour of silence ending around 2020/2021 and the first 3.5 years of tribulations which started in 2017 being over, and the second 3.5 year tribulation about to come to pass. The 2nd 3.5 year tribulation is to be much worse than the first. Further, the D&C says that immediately after the half hour of silence, the Lord will come to his SAINTS (not to everyone yet!) and they will be taken up to meet him. If you're not familiar with the half hour of silence it is this: the 7th seal opens around year 2000, and about 20 or 21 years later, the half hour of silence is over. Several places in the scriptures we see 1000 years to man is a day to God, so a half hour is about 20 or 21 years.

Note: The beginning of 2020 is when the COVID-19 pandemic began. This correlates with the ending of the half hour of silence. Even if you doubt the seriousness of the pandemic and see the government overreach

making it a bigger deal than it should be, you can see the major impact it has had by so many losing jobs, economies being wrecked, etc.

-2021 Spring: Possible 3rd Jerusalem construction time. In 2018 December Levites dedicated the 3rd temple of Jerusalem altar; About 2 years and 2 months before the second Jerusalem Temple was built a cornerstone and altar were built so if history repeats itself about 2 years in 2 months after this dedication of the 3rd Temple altar will come the construction of the 3rd Jerusalem Temple which would put us in spring of 2021.

-2021 April 6: 2000 April 6 & this date may mark the beginning & end of the half hour of silence. The half hour of silence is accomplished. ½ hour to God is about 20.8 years, because 1000 years is a day to God.

-2021: Now that half hour of silence is over, the 7 trumps with their plague vials begin.

-2021 Spring: Some suggest a ‘mid-tribulation rapture’ will take place, translating the righteous to protect them against the forthcoming destructions.

-2021 Feb. 4: Some suggest that, if the half hour of silence began 2000 April 6, that it would end at this date. See <https://www.youtube.com/watch?v=yMISIfmOtvI&feature=youtu.be&fbclid=IwAR3Pr62VDj5KD9H49bYmYxJJUdCJIZJHPgTfPwHB9bd5ztDjix1vjxU9UAQ> by Brian W.

Could be the final destructions at the time of the 2nd Coming of Christ in Glory, or preparation for other destructions before His coming. This is the year the 7-year tribulation is likely fulfilled in America.

-2024 Solar eclipse how it fulfills prophecy: Matthew 24 says the tribulations happen then the sky is darkened then the sign of the coming of the son of man and then Jesus comes. The 2024 solar eclipse can fulfill the prophecy of the sky being dark and after the tribulations. Matthew 24

indicates that the sign of the coming of the son of man and the coming of Jesus are two different things one being a sign that happens a little while before the actual. The first coming of Christ was indicated by a bright celestial sign and the second coming will be as well. Joseph Smith said the sign of the coming of the son of man people will say it's a comet or a star but what it will actually be also according to Joseph Smith as reported by one of his closest associates is Joseph Smith said that it will be the city of Enoch coming. (These ideas from Aaron Ellis at <https://youtu.be/dgvMRA4NRsQ>)

-2024-2030 Major destructions of the Book of Revelation taking place. Saints gather to places of safety. As D&C says, all who don't want war flee to Zion for refuge.

On Signs & Wonders Presentations on Daniel & Revelation

I don't share her views on the timing of the seals and so forth but there are some very interesting points in these lectures to be considered:

Part 1:

-7 is bible number, over 800 times in bible, days of week, seals, etc.
 12 is 180 times in bible, shows faith the church and divine rule. gods kingdom 12 gates guarded by 12 angels.... 12 priests from each tribe, 144000 is 12k x 12k

-40 bible number..... gestation of child. rain at Noah. years to build SLC temple. Jonah warning to Nineveh 4444440 40 days. Israel 40 years wander. Fasting 40 days

-70 bible number. its 10 and 7. 70 elders, 70 captivity years ; 70 7's

-seeing sign doesn't mean you're there, a sign says sometime soon something is coming. Signs indicate future events, thus they can occur quietly without the notice of people.

-Wendy Nelson Jan 2016 Hawaii talk becoming the person you were (born to be?) at 9:43 min on her talk asks what if you knew Christ already on the earth and meeting held without news or blogosphere knowing, what would you be desperate to do today?

-1260 is about 3.5 years. time times and half a time.

-the time off trouble is 3.5 years, the day of Jehovah and 3.5 more years of great trouble, knowing you are in labor of delivering the child. pains to be delivered.

women don't know for sure in labor until half way through, thn increased pain.

-if a sign happens on a holy day you know it is what you seek

-1836 on Passover dedication of Kirtland temple. Elijah appears.

-2300 days or 2300 years. units interchangeable

-about 15 min in see Daniel chart the 2300 years.

-destruction of temple 70AD

-Miller, founder of Millerites, says 437? AD , speaks of 23000 years after that for second coming, but that calculation takes you to when 1846 Nauvoo temple dedication, we got temple ordinances and work restored.

-2 on both sides of river,,,, time times and half till the holy people scattered then these accomplished. Daniel saw Joseph Smith (dead and there watching over them) and Brigham Young, the power of the holy people scattered when Nauvoo temple burned, Brigham Young preparing to lead saints to go to Utah.

-Use a jubilee. 171.5 years would be time times and half a time in jubilees, that takes us to 2017 with the woman in sky constellation and the 1st of 2 total solar eclipses.

Part 2:

-the second half of the 7 year tribulation, this is like labor pains, half way through, you know its time to go to the hospital (*time to go to the places of refuge!)

-each seal is 1000 years as taught Elder Bruce R McConkie and lds.org

-great quake in 6th seal opening, should have been about 1000 years ago.

in Africa Asia and Europe over 1 million died in a great quake, 1202AD killed 1.1 million, not counting those in areas we have no record of.

smaller population then, so this was a huge deal. from 0 - 1000 about 900k died in quakes this was 5th seal. from 1000-1200 1.5 million die in quakes. about 5 million died in quakes in 6th seal.

rev. 6:15 1132 to 1202 quakes were so bad they hid in the caves

there will be more quakes in 7th seal.

-rev 7:1-3 in 6th seal hurting things withheld until sealed in foreheads the servants of God (note: Mormon doctrine says this happens by laying on of hands)). these echo temple ordinances.

-before year 2000 we had 6888 temples, in 2000 we added 34 temples. so in 1 year we got half as many as we had in 170 years.

-Joel scripture indicating temple dedication

-Another Joel scripture fulfilled in the 2020 General Conference of solemn assembly and fast

-rev 7:9-----12 all hear temple dedication palmyra.

-April 6 2000 was 170 anniversary of the restoration, so this palmyra dedication fits the Joel and Revelation so then is half hour

-half hour is about 20.83 years about 21, which is 3 7's.

-rev 13 those in white always in the temple, apostles said this was the 144000 foreordained in heaven.

-1440000 symbolic not fixed, more of a title

-when Enoch city taken up, messengers came down and taught people getting those willing to join them, this was the flood, we will copy this pattern before the baptism of fire on the earth. the elect will be changed translated to assist others during the tribulations.

-President Russel M Nelson "I fear too many" not having privileges they could. footnotes take you to D&C 107:19 or just 9 which speaks of translation. Joseph Smith Translation of Genesis 14 also footnote, more of Enoch etc.

-these scriptures speak of translation, interacting with members of city of Enoch, direct visits with God, etc.

-rev 1-7 chronological, the rest not...

- 2 record huricanes Jose and Maria (Joseph and Mary) then the Rev. 12 sign in the sky of the child being born.

-Some 7th seal events have started. rev 12 woman in sky rev 12:1. Jupiter in Virgo 42 weeks, September 2017, the eve of Rosh Hashanah is when Jupiter left. as Jupiter exited Virgo these stars were aligned for 1st time in 7k years. Leo Mercury Mars Venus make the 12, and thee sun, moon at foot.

-Crown of 12 stars the apostles. woman the church. child delivered is the kingdom of God on earth says lds.org.

-Rev. 12:5 speaks of bringing forth the man child. then rev 12:6 speaks of 3.5 yr woman in wilderness, later in rev 12 speaks of another 3.5 years. 1st 3.5 called the time of trouble, 2nd called the great tribulations, or day of Jehovah.

-1948 Israel became a nation. dan 9:::::24 says 70 weeks or years upon thy people to finish the transgression, bring in righteousness, anoint most holy, etc.

this fulfilled in that day with temple destruction but another fulfillment - 70th year of Israel becoming a nation, 70 plus 1948 you get 2018 may 14 the anniversary 70 years to the day we moved the US embassy from Tel Aviv to Jerusalem.

-Daniel said to watch for 69th year too so that's 2017.

August 2017 total solar eclipse over the US completely, very rare. just after this eclipse were the 3 record breaking hurricanes in US, Jose or Joseph and Maria or Mary, then the rev 12 sign of virgin giving birth to child

-2017 was 70th jubilee of Israel leaving Egypt.

-24min. mark chart to note, shows sets of thousands of jubilees and significant events, and how it mirrors.

Part 3:

-the 2 eclipses more detail: 2017 2024 7 years apart. rev and dan speak of 2 sets of tribulations of 3.5 years each which is 7 yrs.

-the eclipse passed 7 towns with name of Salem. Jerusalem means new Salem, Salem means complete or whole like 7 meaning, and means peace.

-2nd eclipse makes x over heartland of America.

-the 2 eclipses intersect over Missouri. a bit south of Jackson county, but New Madrid fault could change that with an earthquake...

-Matt 18:22 70x7 forgive. 7 often means complete. can mean until something complete. could mean continue to forgive until the end until i come again in the 7th period of time.

-Israel a nation 70 years prior to 1st eclipse, then 7 years later until the 2nd eclipse. the paths of the eclipses make an x. so we have 70 x 7. so after 2nd eclipse, we are moving on to a new phase.

-Israel mints commemorative coin, Ezra helped the temple be built. Ezra speaks of Cyrus. the temple coin mentions 70 years to fulfill Daniels promise, it say s build a house to the lord. Trump moves US embassy to Israel 70 years to the day after Israel was made a nation in 1948, in 2018.

-more info on holy days presented.

-Rosh Hashanah is the day god is proclaimed king this is the day the Virgo sign delivered the baby

-Something about 40 days after 1st eclipse then day of atonement, which we didn't honor, so we have to repent for our own sins.

-Talk by Ezra Taft Benson prepare yourselves for the great day of the Lord

-Scripture says stake centers are a place of protection for when wrath is poured out without measure.

-Benson that talk says we are living in the days of the signs and wonders, that as sure as the temple thrown down prophecy by Christ, so do we live in the time of the signs and wonders

-That talk Benson has challenging questions for us. He spoke of the rising generation which will not falter. he says to rise in this momentous **hour**. He says specifically that as it was for the Jesus prophecy 40 years destruction coming, so will it be with our generation. So an hour is 40 years in God's time if you do the 1000 years is 1 day to God conversion. And 40 years after this talk is 2021 or thereabouts.

-Levi given inheritance forever. Joseph Smith taught (ref in presentation) that the hereditary role of the Levites was forever. (Note: This could mean they don't need priesthood conferred, they're born with it, so they can do valid temple offerings even though they don't know about the restored gospel yet.)

-Cleon Skousen went to Jerusalem years ago and helped them plan their 4th temple. its the 3rd stone temple and 4th if counting the tent temple. Joseph Smith said the animal sacrifice would continue. Skousen says Levi tribe will be responsible for building their own temple.
templeinstitute.org .

D&C 13 is what speaks of sons of levy offer; until offer in righteousness ; so they do sacrifice until they learn to do it without the blood.

-their hereditary priesthood will perhaps become fully effective as they do their sacrifices.

-actual temple in city of David just outside wall of Jerusalem. excavating temple there, a spring runs under it , Ghione spring.

these are the Cohenim. they have kept this blood line pure over 2000

years. they have in the last decade training in the rites. December 2018 they dedicated their altar, invited 70 nations, and gave a wheat offering.

- Ezra 3 speaks of altar laid then about 2.5 years later the rest, if this repeats then around they finish (review this part)
- something about 40 days before something (review this part)
- Passover 2019 was 40 days after dedicating Rome temple. President Uchtdorf spoke of Paul walking 40 days to Rome.
- 1st Passover in our day being carried out in thousands of years
- This group is determined to build a temple on Mt. Moriah
- President Benson talk with references to 40. Then he speaks of an hour of trial, which equals about 40 years, and 40 years from that talk in 1981 is 2021.
- Elder Bednar Christmas Devotional 2015: 5 years from his message the Lord will come (to the Saints). H says to personally apply Samuel the Lamanites message to yourself **as though you were hearing a prophet tell you future events** today, then he read the passage wherein Samuel the Lamanite makes the 5 year prophecy. 5 years from this talk is December 2020!

Part 4:

- Elder Ronald A. Rasband quote April 2020 General Conference: we are who will welcome the Lord at his 2nd coming
- change of temple ceremonies of late have purpose, such as showing the invitation era is over. Robe and shoe note. The invitation to a wedding was verbal anciently, and a person would put their robe over the other shoulder to indicate they were already invited. So switching the robe shoulder indicates the period of inviting is over. (Note: Elder Rasband says President Nelson has received very important revelations concerning the temple. This adjustment is surely one of them.)

-bride and groom ancient patterns which will play out again at Lord's coming (Note: Some say it was ancient tradition for the announcements of the groom coming to be about a half hour)

Q&A With Jodi Stoddard on the Half Hour of Silence & Related Topics

Shared with permission, 12.29.22

Q: I have been studying doctrine and covenants 88 it seems to say that after the half-hour of silence the resurrections start happening, I haven't seen those.

A: I believe what is happening to begin with are TRANSLATIONS into TERRESTRIAL beings (vs 95-98). I did a video on Translated beings. They are they who will live during the Millennium. They are still mortal and have power over their own death. <https://www.youtube.com/watch?v=jK0ytlIgrw>

Q: Revelation 8 says that the half-hour is just after the seventh seal opens and before the trumpets. perhaps Revelation 8 and doctrine and covenants 88 are serving two different purposes? Perhaps we should give more heed to the doctrine and covenants as it is more modern? Perhaps there is no conflict and doctrine and covenants 88 just doesn't highlight the trumpets which happened between the 1/2 hour and the second coming?

A: The Seventh Seal opens YEARS prior to His return and the beginning of the Millennium... Some people are beginning to consider that there are two different 'half hours' - one that is about 21 years, and one that is literally 30 minutes. Not sure where I stand on that yet...

I think the problem is when we read that we think it refers to his FINAL coming.... and I believe it is referring to one of his prior advents.

The scriptures are condensed and we tend to look at it as a sequential set of events that happen one immediately after the other... but for some there is time in between - even enough to make it a completely different event.... but we have read and understood it as one.

Christ is mentioned to appear at least 7 times over a period of several years.

The way I see it unfolding, Daniel, Revelation AND D&C are all aligning. Rev 12 is a great example of that.. it is THREE events involving THREE separate groups of people that happens over a minimum of 3 1/2 year time period..... all in one chapter. Daniel predicted the sign of the Woman in the Sky (of Rev 12).... that shows us we really are where we are. Way too many coincidences aligning.

We are in D&C vs 95 right now.. the half hour is in the process of ending. But if you continue reading, it doesn't say the Second Coming will happen at the end - but that the SAINTS will see his face and be taken up in a cloud (translation time for the 5 wise virgins) and they will come down with him at a later time.

I mean look at everything that has to happen AFTER verse 95!!!

It isn't just a single event, but several events... not just a single scene in a movie, but several scenes.

I don't know if that makes sense?

as for trumpets.... they are there after verse 95.... Perhaps they are different trumpets? But perhaps they correspond directly with those from the 7 Angels in Revelation?

The 5 wise virgins go into the wedding feast (fall under translation or some sort of protection) and then the plagues are poured out and the trumps sound....

I see Rev 12 as a side-by-side of D&C 88 ...

in Rev 7 JOHN is seeing the future and the foreordained 144K who have NOT yet gone through the tribs (because yes we are still in the 6th seal when he sees them), but he sees them as having already traversed the tribs ...

As for the beasts... I look at it as when it was translated they had no idea what John was trying to describe.... John didn't know how to describe what he was seeing.. .so those who translated his words just used a generic word which ended up being 'beast' in English... we kinda use this word for all sorts of things too... like the saying "that is just the nature of the beast"..... it is NOT a particular beast or person or thing when we use it in that vernacular.. .it just is a word that means lots of things...

I would guess that when they tried to translate what he had tried to describe, they had no idea what word to use... if that makes sense.

I have a feeling the word has nothing to do with animals (despite what part of the description is in the topical guide) but rather has to do with different types of ministering angels, guardian angels, warrior angels, healing angels, protecting angels, and whatever else.

Also when he describes animals with different heads, it is obvious that those are nations whose symbols ARE different animals....

Q: Concerning the Elder Bednar talk in Dec. 2015 Christmas devotional with the '5 years from now'

A: He gave it Dec 2015.

Dec 2020 is 5 years later...

5 years is the number we were looking at.

Samuel the Lamanite gave a 5 year warning for the coming of Jesus (his birth).

Dec 21, 2020 is the convergence I mention in the video of two of the assumed stars that made the Star of Bethlehem (the sign Samuel told them to watch for)

So this sign happens 5 years after Bednar's talk.

5 years after his talk also places us in the middle of the 2 eclipses.

It is close to the end of the half hour of silence.

... and all the other things that pointed to this time at the end of 2020 and spring of 2021. If the Nauvoo Temple dedication was the one to look at instead of the Palmyra, then that adds two years to the formula. And remember, it says "ABOUT an half hour of silence"... so there is leeway... Also, it doesn't mean that is when His return will be, it means that it is pointing to something significant... perhaps the beginning of translations/being caught up as in D&C 88:95-98 and 45:44-48 which points to a 'rapture' type event PRIOR to His arm falling upon the nations and PRIOR to the Mount of Olives event... and 'then' it says the righteous DESCEND WITH HIM that final time... in order to 'DESCEND' we must have previously 'ASCENDED'. No matter how the timing plays out and which of His precursory visits happen first (or may have happened), WE HAVE ENTERED THE RIVER and are headed down stream in the raft, with rapids behind us and in front of us... we are IN THE MIDDLE of the final events. The 'desolating scourge' spoken of by Daniel, which closes the temples (and did) has already happened AND CONTINUES as an ongoing scourge affecting the ENTIRE WORLD physically, emotionally, financially, spiritually.... It is the beginning of the troubles according to Daniel and other end-time prophets.

Comment on 2020 Temple Closures & 144k Fulfillment

An interesting comment (anonymous) on one of my last day fulfillment presentations:

“TWO observations to consider: Are we witnessing the 'curse' of Elizah? (Mal 4:5-6) "Turning hearts of children to fathers " has actually been taken away.... no more ordinances for ancestors can be performed across all Temples on the face of the earth! (And yet 'exploits' are being carried out for the living by those dressed in white Dan 11:32). Therefore are we

witnessing that "smite the earth with a curse" is being justified? ALSO: The Stake Quorums' of High Priests have been taken away, similar to when the Seventy was taken from the lower authority of local Stake leadership. The High Priests of the Church (BTW| of which were more than 144,000 from every nation, kindred, tongue, and people at the end of the sixth seal Rev 7. [Symbolic see D&C 77:6]) will be re-organized at a much higher level of quorum presidency? Do not discredit the numberless concourses of ordained (sealed) High Priests already positioned around the world being sanctified and given priesthood power to form this prophesied body of tribes of Israel, of which we are apart!"

7th seal already? half silence?

Are we in the 7th seal? Is the half hour of silence from 2000-2020?

What insights can you all share on this topic? Further, do you all support the half hour silence 21 year theory, and what do you expect in the near future? Some suggest a pre-millennial coming of Christ around that time, others suggest we are just headed for hard times. A thing tricky for me still is that Revelation 8 speaks of trumpets after the half hour silence, and D&C 88:95 speaks of the face of the Lord unveiled after half hour silence.

It does say "SAINTS' are the ones who will see him.... it doesn't say everyone will see him.... one must read the scriptures before and after for context.

D&C 88:95..... and the face of the Lord shall be unveiled;

96 And the SAINTS that are upon the earth, who are alive, shall be quickened (TRANSLATED)and be caught up to meet him.

It's pretty clear.

Compare Revelation 12....

The 7th seal opened in the year 2000. Many signs were given and prophecy fulfilled. The 1/2 of silence began directly. It is 20.8 years. It will be done this fall. If the seventh seal was broken in the spring of 2000, then it stands to reason it will end in the fall of 2020. However, if it was broken at any other time of the year it will likely be finished at the beginning of 2021. Some speculate (through various signs) that the seven years of tribulation began in the year 2017. I just don't believe this. There is no supporting documents that state the seven-year tribulation will begin within the half hour of silence. Some use the fact the Prophet said we were at a hinge point. However a hinge point can be recognized as a number Of different changes. "A HingePoint is the point where something literally pivots. It's the turning point where you are going to see a significant change take place." The Profit mentioned this at the dedication of the Rome, Italy temple. But he mentioned it again later. Very significant statement but didn't mean that the seven years of tribulation we're beginning or that we are in the middle of it. I believe that hinge point is the end of the half hour of silence in the beginning of the seven years of tribulation. There are particular things that need to take place within the first 3.5 years of the seven years in such a catastrophic manner the devastation would run across this land as never before seen. That has not happened. But it is coming. Some use astronomical signs as well. It would appear that some of these signs definitely appear to fulfill prophecy. Again, the kind of devastation but it talks about in the seven years of tribulation just has not happened. What I am saying is the beginning stages of that seven years of tribulation. It certainly does not feel or appear that we are in the middle of it. I do believe that is certainly coming and we have less than a year to prepare ourselves for what is about to happen. As far as when the Lord will come in his full glory, he will make three different appearances. The final one being for all the world to see.

Elly Garrison you are very correct. Just one further point it doesnt say in a half an hour but about a half an hour. So things could even take longer before the 7 years of trumibulations begin which I think will be in 2023 and go to 2030. But before that time things can get bad. Psalm 22 is My God my God why hast thou fosaken me. This is to match events that will occur in 2022. And Psalm 23 Walking through the valley of death I will fear no evil. For 2023. Bad events started in 2020 with Covid19 and the lockdowns by the left that were completly unwarented and now the riots. It has begun and we will see the storms (hurricanes) get worse by Sept. We have a summer of riots too. Oh the joy. Not.

I heard an interpretation that the 21 years of silence could be our own brethren preaching nothing but milk for 21 years (do a little better, be a little kinder, say your prayers, etc.). They do this because so few “saints” responded to the bold meaty talks. So few got food storages or worked to get out of debt. So few were serious about repentance and becoming sanctified. So few sought the face of the Lord.

I imagine it could be painful for angels to watch people get bored and passionless about Christ and the fullness of His Gospel in our church meetings and homes...especially knowing what was coming. They knew we'd need oil in our lamps and that time was running out to get it. Maybe not the whole interpretation but I liked hearing it because it helped make sense as to why our leaders were seeming so...silent.

Jodi agrees, There is a pattern to the teaching of the prophets... They preach repentance until just prior to destruction and then they preach faith, hope and charity..... we are coming out of 21 years of primarily faith, hope and charity now.

Read About Daniels time line. We need to have a peace treaty signed

between Israel and Palestine. He revealed that when the peace treaty is signed there will be 7 years til Christ's return. There is 3.5 yrs of Peace followed by a period of time. I believe that is when Adam-Ondi-amen will occur and Christ will appear (at a worldwide temple dedication) and will instruct us for the last 3.5 years. Then He will come in "all His glory".

Whew good luck with this. Look it up "Daniels Timeline"

Nate Richardson you can (of course) find it on Utube. And of course there are a lot of different interpretations of it. A lot of the other religions have studied the peace treaty as well as Daniels Timeline. So I like to try and put all studies of last day info from all different religions and see what I come up with. Ya so check Utube for starts and I may have a book or two, but I'll have to find them. But one clue about the 1/2 hr of silence, most if not al religions have no idea what occurs during that time. I put a few idea together and came up with my own idea. I read in the Deseret news about Adam ondi amen, that it will be one of the biggest sacraments ever. And I remember a time we had a temple dedication on Sunday rather than church so I kinda thot that was odd, but maybe just a nice practice time for Adam Ondi Amen. (Prob spelled wrong ☹️) anyhow on and on. Too much to write about so have fun studingy

I believe Jesus will be revealed at the Feast of the trumpets sometime after the half-hour of silence is over probably a few years even so actually it's a special day one of the Jewish holy days we might want to look that up

I just look at the yuga cycles

After the half hour of silence will be a major sign in the sky to the saints that the second coming is at hand. The world will call it a comet a planet exsedra

Harold Rudick there is a comet expected this year. I watched a fascinating and detailed exploration that the 7 years of tribulation would start in 2020,

preceded by a comet and what others call “the rapture” where believers will be taken up by to meet the Lord.

Billie Garcia in Isaiah institute said of the 7 trib:::::

I think you mean the two periods of 3.5 years which added together equal the 7 years of Tribulation. See Revelation 7:14, Mark 13:24 & Matt 24:21, 29 for the great tribulation. Daniel 12:1, 4 about the end times. Revelation 12 talks about the woman having to flee into the wilderness for a time, and times, and half a time. This is thought to mean those 3 1/2 years. There are several other scriptures that talk about a period of 3.5 years. Daniel 7:25 talks about a period of a time, and times, and half a time, where believers are persecuted by "the little horn" see also Daniel 12:7. Rev 11:2 talks about the holy city (Jerusalem) being trampled (by armies) for 42 months (which is 3.5 years). See also Rev 12:6 and 13:5. Many people interpret Daniel 9:27 to be the scripture that divides the seven year period of tribulation, sometimes called Daniel's '70th week'. Other scriptures refer to a period of 1,260 days, which is also a 3.5 year period (see Rev 11:3). Personally, my belief is that when the woman flees from the serpent, (Rev 12) into the wilderness is the beginning of the 3.5 year start of the tribulation period, which is a period of great judgements upon the earth and persecutions of believers. I believe that the second part occurs when the dragon goes 'to make war with the remnant of her seed'. I believe the war will begin at Jerusalem in this second half. This is my opinion only. And we know that at the end of this period is the coming of our Savior. (JS-Matthew 1:36) And, as I said before, after the tribulation of those days, and the powers of the heavens shall be shaken, then shall appear the sign of the Son of Man in heaven, and then shall all the tribes of the earth mourn; and they shall see the Son of Man coming in the clouds of heaven, with power and great glory;

Did Joseph Say All of the Book of Revelation is Future, Meaning No Seals Done Yet? Not Exactly

The church manual indicates that Joseph was referring to the 6th and 7th seal events as those at hand and of the future.

The manual also points out that when revelations speaks of the seals, most of the verses about them are devoted to the 7th seal, that this is the emphasis for our time, which supports the point that we are living in the 7th seal.

Time between Mt. of Olives and the Fire of the Lord's Coming to All the World? Debate Perspectives

With burying the dead 7yrs after the war of 2 million which Jesus appears at to save the Jews (Armageddon), what about the world being burned? If Christ's appearance to Olives is the coming in glory, why would we bury the dead if like all the wicked are dead from the fire? On the one hand, it's burying the weapons etc. because it's now the millennium of peace and no more war. On the other hand, it is not yet the great and dreadful day of the Lord's coming to al the world, buring the wicked with the brightness of his coming.

Doesn't this indicate the Olives is before the fire?

Couldn't the time between those 2 events be a time of preaching, like, a last call to all the world, this time including the heathen nations now open to the preaching of the gospel (with continents rejoined and evil dictators out of the way) before the burning? I think this would be quite neat, a time when many are aware of Christ, that the reasonable people of the earth have the way cleared for more faith in Christ, and a time of great gathering before the end.

Some say that Ezek. 38-9 are about the battle of Gog and Magog at the end of the millennium, that there won't be a 7 year burying/cleanup after armageddon, but a closer look reveals that the battle of Gog and Magog IS the battle of armageddon, and that this repeats at the end of the millennium as well (Rev. 20:7-8).

Why does all this matter? Because the Lord's coming at the Mt. of Olives could be a time where there is much yet to do before the final coming of the Lord. It could also indicate the Mt. of Olives event being closer at hand, since we know the heathen nations haven't had the gospel preached to them yet. Or we could just preach to the heathen nations once the millennium has started, after the great and dreadful day, bringing the ignorant righteous up to a higher level.

Kenneth Jeppesen shares his view that the coming at the Mt. of Olives is the second coming: "D&C 45 seems incredibly clear that his appearance to the Jews is his second coming and glory. People seem to mindlessly quote president Benson without looking into the sources of the scriptures that he references. He takes section 45 and splits it into two parts and I just don't think you can justify that from the text. The only other source that could back up the idea that I have been able to find was from a talk in the early 1900s, Cowley maybe? I don't remember offhand. But every time I have asked people to give me an argument for why there is a gap making them separate appearances, they haven't been able to give me anything."

It does seem to fit that for the 2 servants killed in Jerusalem, they get resurrected 3 days later, so the resurrection / coming of the Lord in glory should take place at that time.

I just don't understand, the coming is to be in glory consuming the wicked, so why would he need a mountain to split for them to escape, if Christ's coming at that time was already slaying all the wicked? Maybe he comes to the mountain, then like 5 minutes later comes in the sky to all the world?

I don't know.

This manual indicates a separate time for Mt. of Olives and the coming to the world but doesn't appear to give references for that ([Enrichment H: The Last Days \(churchofjesuschrist.org\)](http://churchofjesuschrist.org))

Some timeline notes to sort in

-????: Ezra's Eagle. Some say it was fulfilled in Rome (see this video:) some say it is being fulfilled now by USA Presidents, etc. (See James Prout's LastDaysTimeline.com). Dual fulfillments are common in scriptural language.

To sort in:

In the time of President David o McKay the church became international

president Nelson declared that we are living in the time that Nephi saw

Also the Levites dedicated the altar of the temple in late 2018. How about the approximate date of the weddings of the lamb, Nate Richardson?

more evidence that one thousand years to man is a day to God is in that Adam ate the fruit and in the day he did he died

in the Hyrum Andrus lecture of Nephi John part 1 he says **1967 is when the time of the gentiles was fulfilled** at the end of the seven days war because that's when Jerusalem was no longer trodden underfoot by the gentiles and the scripture says that is when the time of the gentiles is over.

1000-2000 The sixth seal the 144,000 are called This is likely an event that happens in heaven, people are set apart for doing this sort sort of work on Earth. In the days of Joseph Smith several were set apart. It was told to them that the calling among those numbers are already begun. this shows

that not only mortal beings but translated and resurrected etc beatings will be part of the 144000.

Joseph Smith changes days to years in the scripture that says The chase by the dragon the woman flees to the wilderness for a thousand and however many days Joseph Smith changes that two years well if you do the math about 570 ad is when the apostasy started and then the woman is done being in the wilderness when the gospel is restored through Joseph Smith

Make sections on the timeline of pre mortality. can include the snake gathering 1/3 with its tail and all that narrative that's a type of what happened in heaven so it is a type of what happens on Earth

1789 Constitution ratified. 1829 priesthood of God restored. 40 years between these dates. This was a time people repented and became ready for the priesthood. 40 is the repentance window.

apparently marrone I said to Joseph Smith that the 10 tribes will return after the redemption of Zion. See the Zion through the ages lecture by hyrum Andrus.

2033 NASA says blood moons will be happening that year and those blood moons are on all of the holy days

David Ridges points out mark of beast is symbolic. Hand and forehead anciently were marked or tattooed to show allegiance. Our countenance shows such.

David ridges says there's evidence there'll be a temple in Egypt!

Chernobyl translates to black grass. It is similar to the word "chornobyl". Which is wormwood.

add this to the calendar and it could even be a good addition to the we are in the seventh seal document it actually will be very good for that document The Book of Revelation speaks of the calling of the 144,000

and then 7 chapters later it's not until seven chapters later that it speaks of the hundred forty-four thousand performing their ministry the supports the theory that the calling of these was done in the sixth Seal in the spirit world

Book of enoch to come fulfilled, discoveries at time of Nibley and his writing of such

Everything after Revelation 7 is about the seventh seal so we know that the woman in the heavens sign and the Rome Temple dedication are seventh seal events

Hinckley said blood moon is fulfilled if I recall. Ome suggested the Rev scripture of opening of 7th seal with palm leaves and hosanas was fulfilled in navoo temple dedication broadcast year 2000. Nelson said in April ensign the separation of good and bad is about to happen. Nelson said in this conf (or the ensign or something recently) that this is a hinge point in the church. Mcconkie said in millennial Messiah that the half hour of silence after the 7th seal is opened could translate to about 20 years after year 2000. PS things sure are silent right now due to shutdown coronavirus. Temples announced in China and India suggest the gospel to the world is expanding. Hastening of the work Monson said is why the missionary age change. Bednar this conf points out all the temples that have burst open in the last century. Church manuals and scriptures plainly say the seals represent 1000 year periods. I heard someone report that Nelson said in a stake conf that we are living in the 7th seal but I don't have a quote or source on that. Orson Hyde dedicated Jerusalem for the return of Jews around 1960 and Jews have flooded into Jerusalem since then, I think that is fulfilled. Adamondiahman could be a private meeting already done for all we know. Wars in the east see biblical, perhaps not to armegeddon scale yet. Coronavirus shutdown is unprecedented, I've had an 80 year old tell me he has never seen anything like this. Tons of people are without jobs and severely hurting at least financially due to the

shutdown. I don't recall where I think it was a recent conference that it was said things aren't going to get easier from here on out, just harder (though there was optimism this conference about corona stuff settling down eventually) (but the economic aftermath could be the real killer). Another world wide hosana shout at this conf. The restoration proclamation announced this conf makes it pretty plain for all the world to know. It seems we yet await a temple in Jerusalem, mega temple in Jackson County, big famine maybe already fulfilled). The 2 prophets lying in the streets may have been fulfilled by Joseph and Hyrum (in America which can be considered a Jerusalem so the glove fits, and as JSFoundatiom points out the 3.5 I think year ministry of those prophets is fulfilled by them too because exactly the time lapse from announcement to gather to their death was that interval.) Sealed portion book of Mormon mconkie says we won't get until the millennium because we are as a people too wicked and neglect what scripture we have. 144000 we know the ranks for that were already being selected in Joseph Smiths day, and it can be symbolic of having people sharing the gospel from all tribes. Sister Nelson says at a conference in Russia she asked those present to raise the hand depending on which tribe they were and members of all but 1 tribe were in attendance. Translation to endure the tribulations but surely those obedient to word of wisdom (the thou shalt not just the thou shalt nots) are being protected from many of the diseases of our time. Mcconkie said there will yet be martyrs in this dispensation, there are tons of Christians around the world being killed right now because of their Christianity but I think mconkie may have been referring to leaders of the church and LDS specifically being killed. Gadianton robbers parallel likely fulfilled with 9/11 and subsequent terrorism. War to come on US soil was fulfilled by the civil war but I think prophecy remains to be filled about Chinese invasion in the western US and Russian invasion in the eastern US. I think Benson's words about having food storage being like getting on Noah's ark are yet to be fulfilled. I'm excited about Christ's personal ministry at the new Jerusalem, this will happen before the grand 2nd coming. Ezra's eagle the other wing has started because Trump is the first president elected in 80 years who hasn't had approval of the CFR. They are trying to

make homeschool illegal. We almost elected an open socialist Sanders and an open gay Butigig or whatever. Obama was gay but not openly. Things being shouted on the roof tops is being fulfilled by electronic data tracking and spying.

Supposedly need Antichrist to sit in temple blaspheming still.

'pray your flight not be in the winter' could have been fulfilled by the pioneers who got stuck in the snow.

Isaiah 7 women cling to 1 man could have been fulfilled in the polygamy era of the restoration.

There is a quote that animal blood sacrifice yet to be restored for a season must happen, that's not happened yet.

There are always rumors about tent cities being prepared by the church, but with the gathering taking place world wide, this is likely an effort of each stake rather than of just one area.

In April Ensign Nelson says special saints will live in New Jerusalem, this suggests we will not all herd to that location, but most will stay in their local stakes.

The moon under foot and virgin travail star virgo alignment stuff was fulfilled in 2017.

2020 April Eyring talk: we help people be ready for the Lord's 2nd coming.

House bill 6666, see Bundy vid, about coming into homes for COVID checks, etc

Elder Cook April 2019 great love for our fathers children in the subheading preparing eternal families and individuals to dwell with God he said that President Nelson has received profound important Revelations concerning temples and Temple worship this suggests that the changes which were made are very important the robe to the other shoulder and the removal of the veil some have suggested is symbolic of the invitation to the wedding feast being over and the time for the feast to begin as well as the power of women to come forth and not be hidden under availing anymore and the

women represent the church so it's symbolic of the entire church stepping forward in great power

See also April 2019 Elder d Todd christofferson his talk on preparing coming for the Lord

on the 10 lost tribes: Joseph Fielding Smith affirms they are together: "The promise is made that they shall return, but to this day they are lost to the world. As they journeyed to the north many of their number straggled and fell behind and mingled with the peoples in the lands through which they passed, but the main body continued on their journey and were hidden by the hand of the Lord. Joseph Fielding Smith, *Restoration of All Things* (Salt Lake City, Utah: Deseret Book Co., 1945), 131–132.

on the 10 lost tribes, Elder Bruce R. McConkie claims they are scattered in 'northern countries'. "There is something mysterious and fascinating about believing the Ten Tribes are behind an iceberg somewhere in the land of the north, or that they are on some distant planet that will one day join itself with the earth, or that the tribe of Dan is in Denmark, the tribe of Reuben in Russia, and so forth. A common cliché asserts: "If we knew where the Lost Tribes were, they would not be lost." True it is that they are lost from the knowledge of the world; they are not seen and recognized as the kingdom they once were; but in general terms, their whereabouts is known. They are *scattered in all the nations of the earth*, primarily in the nations north of the lands of their first inheritance." Bruce R. McConkie, *A New Witness for the Articles of Faith* (Salt Lake City: Deseret Book Co., 1985), 520. ISBN 0877478724. ISBN 978-0877478720

Bruce's son Joseph Fielding McConkie has an article with a similar idea entitled "Scriptural Search for The Ten Tribes & Other Things We Lost". Some argue this article makes light of revelations in D&C about them being together, etc.

Isaiah scripture about I cannot read a sealed book

pause this gives Joseph the case of the gathering of Israel from the four corners of the earth and the leading of the ten tribes back noticed the Israel is gathered and the 10 tribes are lead

Isaiah 59 verse 20 through 21 says after the 10 tribes return then the Lord appears in Zion

The United Nations announces it has become a de facto world government and imposes a tax on all the nations of the earth and rules the whole earth for 3.5 years ([Daniel 7:23-25](#), [Rev 13:1-5](#), [Rev 12:3-4, 6](#)). This is the First Beast Kingdom of Revelation 13. This First Beast Kingdom of Revelation 13 is the SAME beast kingdom as the Fourth Beast Kingdom of Daniel 7, with 10 horns (kings), with 7 heads, where another will rise up and subdue three of the 10, and will rule the world under Satan. This last Ruler will speak great words against the most High, and shall wear out the saints of the most High. So we will thus recognize him when he comes forth. [Rev. 17:9](#) "The seven heads are seven mountains, on which the woman sitteth." Rome was built upon 7 hills.

The emergence the first Beast Kingdom, with the [global ID2020 initiative](#).

2022 - The [Second Trumpet](#) sounds. A great mountain burning with fire is cast into the sea and a third part of the sea becomes red as blood, and a third part of the creatures in the sea die, and a tsunami of the mountain falling into the sea destroys a third of the ships in the oceans. The U.S. refuses to pay the United Nations tax on the United States, and they prepare for war. The Federal Reserve may be nationalized so the US can make its own money to finance this war, for which also we will be attacked by the United Nations Beast Kingdom.

2023 - The [Third Trumpet](#) sounds. A great meteor falls on the earth burning as a lamp and the dust from the burning meteor poisons a third part of the earth's rivers killing many people. The U.S. President is assassinated and the United States is attacked from the north, from the east, the west and the south by United Nations forces ([Rev 12:17](#), [Rev](#)

[13:7](#), [Joel 2](#), [Ezekiel 39:6](#)). Our country rallies behind our military forces to defend our country.

2024 - The [Fourth Trumpet](#) sounds. A third part of the sun shining on the earth is darkened by reason of the dust kicked up by the war, as well as a third part of the moon and star shine is darkened. The Lord rallies behind our military defense and we win the war, but our federal government is destroyed as well as the United Nations government is destroyed ([Daniel 7:11](#)), 3.5 years (1,260 days) after it's start as a De Facto world government ([Rev 13:10](#))([Rev 12:6](#))([Daniel 7:23-26](#))([Revelation 17:12-14](#)).

The New Jerusalem is set up in Independence, Jackson County, Missouri ([D&C 84:2-4](#)). It becomes the capital city of the Americas, north and south. Those that help set up the New Jerusalem capital city are the Latter-day Saints, the American Indians, and the Lost Ten Tribes of Israel. The Political Kingdom of God expands to outer earth. A highway is cast up in the midst of the Arctic Ocean from the City of Eden in Our Hollow Earth to Independence, Missouri where America's new capital city, the New Jerusalem, is built. Jesus Christ comes to his temple in the New Jerusalem ([Malachi 3:1](#)). He selects 144,000 High Priest missionaries, endows them with power so they cannot be killed (translated beings), 12,000 from each of the 12 tribes of Israel to go throughout the world for the last time to bring all those that wish to belong to the Church of the Firstborn. ([Rev 14:1-6](#)) ([D&C 77:11](#)) The desolate cities in America destroyed in the war are rebuilt and the Stakes of Zion strengthened. ([Isaiah 54:3](#)) The people of the Lord located by the missionary work of the 144,000 will be gathered to the land of their inheritance, the Jews to Palestine, and the scattered House of Israel to America. ([3 Nephi 21:28-29](#))

A 2nd Old World Beast Kingdom ([Rev 13:11-18](#)) rises from the ashes of the United Nations Beast Kingdom, will rule the world except north and south America, and will last 3.5 years ([Rev. 11:2](#)) before they are destroyed by God. Two Jewish prophets defend the Jews of Israel in Palestine from the machinations of the 2nd Beast Kingdom for 3.5 years ([Rev 11:3](#)). The 2nd Old World Beast Kingdom makes a 7-Year agreement with King David of the Political Kingdom of God to let him build the temple for the Jews in Jerusalem, but breaks the agreement half way through the seven year period, and decides to attack Israel in Palestine ([Daniel 9:27](#)).

2025 - The [Fifth Trumpet](#) sounds. A great meteor falls to the earth into the Arctic causing a great smoke to come up out of the polar opening ("the pit") and "Locusts" (hollow earth flying saucers) come flying out of the bottomless pit (the hollow earth) to torment the men of the Beast Kingdom government to give up their rule over America ([Daniel 7:26-27](#)).

2026 - The [Sixth Trumpet](#) sounds. The 2nd Old World Beast Kingdom creates a one-currency economic system requiring a chip to be embedded in the right hand or forehead of its citizens so they can neither buy or sell without the chip. All citizens are required to worship the image of the Beast or be killed ([Rev 13:11-18](#)).

The 2nd Old World Beast Kingdom decides to invade Israel in Palestine to "take a spoil" ([Ezequiel 38:12](#)) of the riches of the beautiful temple ([Ezequiel 40](#)) that King David of the Lost Tribes of Israel had built for them. They gather together an army of 200 million men and prepare for the attack on Israel. ([Rev 9:13-18](#))

2027 - The **Seventh Trumpet** sounds ([Rev. 10:6-7](#), [Rev 11:15](#)). The Angel announces there should be time no longer for Lucifer's rule over mankind. Adam, our first forefather, convenes a great convocation of all the prophets past and present in Adam-on-di-Ahman, Missouri. Adam receives all the Priesthood keys from all the prophets of each dispensation. Christ comes and Adam delivers all Priesthood keys to Christ, and King David of the Political Kingdom of God anoints Jesus Christ King of Kings and Lord of Lords. ([Daniel 7:9-10, 13-14](#)) Jesus Christ begins his reign as King over the Political Kingdom of God over the earth for 1,000 years.

The 2nd Old World Beast Kingdom breaks its 7-year treaty with the Political Kingdom of God half-way through the treaty period and commences the war of Armageddon against the country of Israel in Palestine ([Ezequiel 38](#)). One third part of men on Earth die in this war ([Rev 9:18](#)). The two Jewish prophets that have been defending Jerusalem for 3.5 years are killed, then resurrected before everyone's eyes ([Rev 11:11](#)). Christ, as King over the House of Israel political Kingdom of God descends on the Mount of Olives to defend the Jews from the invading army at the Battle of Armageddon ([Zechariah 12:9-10](#)). He rains hail about the size of a hundred pounds upon the invading army to destroy

them ([Rev 11:19](#)). The Jews then ask Christ, *"What are these wounds in the thine hands and feet."* And he tells them, *"These wounds are the wounds with which I was wounded in the house of my friends. I am he who was lifted up. I am Jesus who was crucified. I am the Son of God."* *"And then shall they weep because of their iniquities; then shall they lament because they persecuted their king."* ([D&C 45:51-53](#)) The Jews then accept Jesus as their Messiah and their King.

The righteous Saints, the people of God are reaped in the harvest of the Earth. ([Rev. 14:15-16](#)) The face of the Lord shall be unveiled in the sky, and all will see Him. The righteous will be caught up to meet Him. ([D&C 88:95-96](#)) In this reaping of the Earth, the righteous that are alive are caught up to the City of Enoch in space. ([Moses 7:63](#)) It appears as a giant spaceship approaching the earth. Flying Saucer craft from the Hollow Earth will also help in reaping the earth of its righteous people. The righteous dead who have lived the Celestial Law will be resurrected with Celestial bodies and the righteous dead who have lived the Terrestrial Law will be resurrected with Terrestrial bodies and Paradise (the Inner Sun) will be emptied. ([D&C 88:97-98](#))

The Jews then begin the clean up and burn the weapons of the war of Armageddon for seven years ([Ezequiel 39:9](#)) God sends seven angels to pour out seven plagues ([Rev. 16](#)) upon the wicked to try to get them to repent of their evil ways before the earth is burned.

2028 - The First Plague. A noisome sore develops around the chip, *"the mark of the beast,"* embedded in the citizens of the 2nd Beast Kingdom.

2029 - The Second Plague. The oceans are poisoned and every living thing therein dies.

2030 - The Third Plague. The poisonous red dust contaminates all rivers and fountains of waters.

2031 - The Fourth Plague. The sun's heat becomes seven times hotter and scorches men on earth.

2032 - The Fifth Plague. The seat of the 2nd Beast Kingdom becomes covered with smoke and darkness and they know their tongues with pain and swear against God.

2033 - The Sixth Plague. The heat of the sun dries up the River Euphrates. The great city of Rome (Babylon the Great) is burned with fire. ([Rev. 17:16-18](#))([Rev. 18](#))

2034 - The Seventh Plague. A great earthquake occurs that divides Jerusalem into three parts, the cities of the earth fall, every island flees away, the mountains are shaken down and great hail falls on men. ([D&C 88:94](#)) The oceans are driven back into the North Countries of the Hollow Earth and the Land of Zion and Jerusalem are returned back into one continent by the voice of God ([D&C 133:20-24](#)) The Earth is by-passed by the same planet sized comet that caused Noah's flood. It tips the Earth on its axis back to 16 degrees where it was before the flood of Noah. It also pulls the Earth's orbit closer to the Sun to a 290 day orbit where it was before the Flood. The Earth is burned by a solar flare which jumps out from the Sun to hit the passing planet-sized comet, but also hits the Earth, which boils the oceans. ([Isaiah 64:1-2](#))([Malachi 4:1](#)) The wicked dead are cast into the "bottomless pit" of the Hollow Earth's Inner Sun. ([Rev 20:1-3](#)) Lucifer and his devils ascend into heaven (the Inner Sun), which then becomes hell during the Millennium, where all the wicked dead suffer the buffetings of Satan for a thousand years. ([Isaiah 14:12-14](#)) The Saints of God in the City of Enoch out in space will watch all the earth changes and the burning of the surface of the earth by the solar flare. As the smoke comes up the righteous are shown the events in 3D of each of the six thousand years of Earth's history since the eviction of Adam and Eve from the Garden of Eden. ([D&C 88:108-110](#))

2035 - The Lord with the City of Enoch descends to repopulate the Earth for His Millennial Reign.

The shell of the planet, both the outer surface and the inner surface, as well as within the shell becomes Heaven (Paradise) during the Millennium where Christ dwells among men. There will be no sickness, nor death as we know it. The enmity of beasts will cease and the lion will eat straw like the ox. There will be no rich and nor poor. The righteous who have lived the Celestial Law and/or the Terrestrial Law will be resurrected in the blink of an eye at the time of death.

3028 - At the end of the Millennium, Lucifer will be loosed upon the Earth again to test men. ([Rev. 20:7-9](#)) There will be another last great war, and the Saints will be saved by fire coming down from God out of heaven that consumes their enemies. The Earth splits down the mid-Atlantic ridge and rolls up like a scroll, disintegrates and dies. ([D&C 88:26](#), [Mormon 9:2](#), [Mormon 5:23](#), [3 Nephi 26:3](#)) The wicked dead are resurrected with Telestial bodies, and the Sons of Perdition will be resurrected with Perdition bodies. God sits upon his great White Throne, and holds the Great Last Judgment where we all accept that we have been awarded a just reward for our actions on earth.

Those resurrected with Terrestrial bodies will be placed on a Terrestrial world, those with Telestial bodies on a Telestial world. Lucifer and his angels, with the Sons of Perdition are banished to Perdition, which I believe is a black hole planet in the Center of our Milky-way Galaxy.

The Earth is resurrected and becomes the abode of Jesus Christ and his Celestial Saints forever after. The Celestial New Jerusalem is brought from out of our outer hollow Sun to take the place of the Inner Sun of the Earth. ([Rev. 21](#)) ([D&C 130:9-11](#))
