Intro to Secret Combinations:

<http://www.latterdayconservative.com/downloads/>.

Ken Bowers worked with W. Cleon Skousen on many projects for 4.5 years. Cleon read Ken's book and said it's the best research he has seen done on the subject, and that Ken is one of the few people in the world who really understands how this world is run.

The Fabian Society in Sussex England has as their logo a wolf in sheep's clothing.

Michael Merit is a Rothchild descendant who is a Latter-day Saint and left that family way. He was offered 100 million dollars to quit his church mission and quit the restored church and go work for his grandfather in the Rothchild business. Today there's 60 billion dollars built up available for him if he leaves the Church that his grandfather has offered him that sits there in a bank hoping he would accept it.

Mayer Anshel Rothchild founded the illuminati.

Satan is the only one leader of all the world's secret combinations.

They have a god, their god is Lucifer.

President Ezra Taft Benson said **the string that the constitution is hanging by is our vote**. So we need to vote, and that correctly! Voting for the better of two evils is still voting for evil! The Constitution party of Utah is a small 3rd party who wants to get the constitution back to the way it was originally.

Whatever the government funds the government controls! When the government subsidizes something, the recipient becomes a slave of the government. Never vote for government subsidies or for a candidate who advocates subsidies.

At God's judgement bar we will have to give an account of what we have done with his precious constitution.

Pressure our congressmen to do what we want.

Note: Jordan Peterson says our political system is highly permeable, but few will get involved. End note.

Leave the Republican and Democrat political parties in mass.

The book "Memoirs of David Rockefeller" page 405 has him saying that he is trying to take over the world, but that those who proclaim such are radicals.

The book Tragedy and Hope by Carol Quigley speaks of how the Rockefellers and Rothchild's families have banks throughout Europe to control their finances etc. It's a history of the west.

Note: Cleon Skousen wrote a book highlighting and analyzing Tragedy and Hope called The Naked Capitalist.

The hierarchy of the church of the devil involves the Rockefeller and the Rothchild families at the top. There are 5 other families which help settle disputes when those families fight. Those are the top 7 governing families.

There is a council of 13 under them. Those 13 are presided over by a group of 3. Then under those is a group of 33, whom are the highest 33 Masons. Under them are many other secret groups like the Round Table.

The Freemason group started out good, and in most places, it still is. But Lucifer has a way of getting his hands into secretive organizations.

Joseph Smith and George Washington were Free Masons, this is before 1870 when Freemasonry was infiltrated by the Illuminati.

The Illuminati worship Lucifer. They believe there are 2 gods, one is Lucifer and they say he is the good one. The other is Adonai, the God of the Old Testament scriptures rendered in Hebrew.

There was European Masons, and American Masons. European Masons got corrupt, then in 1870 when they joined with each other they had a compact on the most high levels where you have to promise to worship Lucifer. Today this is administered only in Rome, Berlin, and Washington D.C. Most the Masons are good people, almost none of them know of these things.

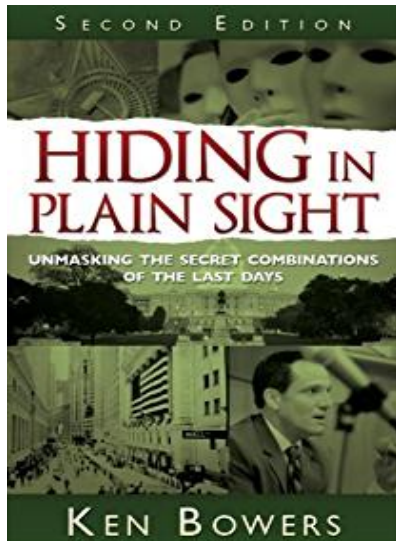

The history of how America came to be is changed by mainstream textbooks. They take out the element of God helping this country to be born and preserved. George Washington was subject to direct gunfire 3 times without getting any harm. There are many other examples of this type of miraculous intervention preserving America, but these are taken out of the textbooks.

Note: These miraculous events are just as well recorded history as anything else, it's just that the atheist agendas of those who rule the education system won't allow for the miraculous. Their history is therefore bias and inaccurate. It doesn't tell history like it is. Like our records show it to be. Something similar happened

with Latter-day Saint church history with work of Leonard Arrington, who insisted on looking at our history in a purely secular lens, explaining away and undermining the miraculous nature of it all. Reasonable and inspired people like Elder Boyd K. Packer responded to these efforts teaching that no true history could take a secular approach when it comes to telling the history of the restoration of the gospel of Jesus Christ. End note.

The reason that there is so much evolution and socialism and anti-Bible stuff taught at the more prestigious schools is because the professors agree that they will teach those certain doctrines when they are hired. There are **people higher up who are pumping those institutions with their agenda**, and the professors who are hired to work there are **under contract to teach those things**.

The radicals are the ones who are doing the big bad evil things. Don't call the people who tell you about it radicals. They are the patriots.

Introduction of Hiding in Plain Sight

Heber J Grant said Satan is working “under such perfect disguise that many do not recognize either him or his methods” to destroy economic political and religious freedom. “Without knowing it, the people are being urged down paths that lead only to destruction.”

D&C 10:36-37: “You cannot always tell the wicked from the righteous.” Ezra Taft Benson said those who are complacent in the fight for liberty, going with popularity, will lament it.

It’s like a Punch and Judy puppet show: no matter what the script is, eventually they end up punching each other.

J Edgar Hoover said there’s a conspiracy so monstrous he cannot believe it exists.

A German professor explains gradual habituation tactics used in Germany by Hitler. They took over by a slow process that people don’t notice, it until it seemed to come down all at once.

Ezra Taft Benson in the Ensign said “A secret combination seeks to overthrow the freedom of all lands nations and countries increasing its evil influence and control over America and entire world.”

Bruce R McConkie said “Gadianton robbers fill the judgement seats in many nations. An evil power seeks to overthrow all nations and countries. Satan reigns in the hearts of men; it is the day of his power.”

George Bush said we are getting a “New world order...the winds of change are with us now.”

Former Soviet President Gorbachev said get rid of old thinking and put in a new world order.

Ch. 1: Conspiracy Denial

2 Ne. 28:22 says the devil tells people lies by whispers until they are chained in hell.

Ether 5:1 says, “it is wisdom in God that these things should be shown unto you”. This refers to secret combinations.

Ether 8:24 says, “awake to a sense of your awful situation, because of this secret combination which shall be among you.”

J Edgar Hoover said it is essential to know what you are fighting for and what you are fighting against or you’ll be unmotivated and confused.

David O McKay said we endorse educational means to awaken people to investigate communism.

Alma 37:25 says, “I will bring to light all their secrets and abominations, unto every nation that shall hereafter possess the land.”

Joseph Smith JSH 1:22 says the preachers were “all united to persecute me.”

Ezra Taft Benson said, “we cannot fully live the gospel and not be involved in the fight for freedom.”

Several whistleblowers who have left the conspiring groups report and write of it.

Ch. 2: Who Has the Gold Makes the Rules

Aka 'The golden rule.'

James A Madison said money changers use every form of abuse to get power. They maintain control over governments by controlling the money and the issuance of it.

Founding Fathers of US wanted free enterprise capitalism.

The book gives a historical example of socialism causing less goods produced by more workers, compared to capitalism where less people make more goods, since the capitalists are motivated to work.

Socialism doesn't consider human nature.

Ezra Taft Benson said the free-enterprise system is built on the eternal principal of freedom of choice.

Mark E Peterson in the Church News said the US Constitution stands for free initiative.

West Germany, once it eliminated almost all controls on wages and prices, came back from poverty to one of strongest economies.

Communist countries all experience shortages of goods because of wage and price controls.

Freedom is wired into people, most are willing to die for it.

Note: Interestingly, the last days has the best and worst of people, and it appears that the worst is manifest by an unwillingness to stand up for agency, aka liberty. End note.

The super-rich always think they are above others.

The origin of the Rothschild family and their international banking is presented.

Hugh Nibley said Satan will buy everything on earth and claim it all, putting a price tag on it, and offering it to everyone.

Info is given on how top bankers control governments, for example by refraining from renewing Treasury Bills. They choose who can obtain borrowed money. They advise government people on what's good for themselves despite it being bad for government.

The Rothschilds engineered the French Revolution by manipulation, then they got control over France.

International bankers hold secret meetings.

Thomas Jefferson said private banks can control inflation and then deflation, which will cause people to lose their property.

Note: That is certainly happening today. Remember, the Federal Reserve is a private bank! End note.

Interest represents a gradual transfer of wealth from society to banks. The fractional reserve banking system allows this. People have become less rich overall because of it.

Often it takes two incomes to provide now.

In the 1920's - 1940's, 90% of Americans owned their homes. But today 30-year loans are common.

Nations usually collapse when a small % of the population own all the wealth. Babylon fell when 3% had all the wealth. Persia fell when 2% had all the wealth. Greece fell when .5% had all the wealth. Rome fell when 2,000 people had all the wealth. In America today, less than 2% own 90% of all the wealth. The New York Times said: A One World Order can only come by a small % of the population absorbing all the wealth.

The Federal Reserve never allows itself to be audited.

They killed Representative Louis McFadden when he tried to get the Fed audited. Details are given on creation of the fed, who was involved, and what their original intent was. They now control all financial transactions in the US.

Woodrow Wilson said after he passed the Federal Reserve Act of 1913, "I have unwittingly ruined by country."

Info on the BIS (Bank for International Settlements), IMF (the International Monetary Fund), and the World Bank are given.

BIS secret meetings take place in Switzerland where 13 people shape the whole world's economy; they are financial barons who control the world's supply of money.

These organizations give loans to places they know will not ever be able to pay, then they destroy their economies. Massive debt leads nations into the NOW (New World Order). Socialism is forced upon indebted countries to wreck their economies.

Joseph Stiglitz proposed an economic plan to help 3rd world countries, rather than getting them in debt then crushing them, and was fired by President Clinton. p35

It is shown how the IRS (Internal Revenue Service) income tax money goes to the pockets of the bankers, not into taking care of roads, schools, & other public things.

Spencer W Kimball said, about the latter-day saints paying their taxes, that if they don't like the taxes, they should go against it in the politically correct way of due process of law. (They shouldn't just stop paying taxes they don't agree with.)

Ezra Taft Benson said that the beginning of our troubles can be traced to the Federal Reserve manipulating money, allowing arbitrary exchange of the value of our money for political purposes.

Ezra Taft Benson said it's possible that the government manipulators who brought economic crisis are hoping that we will come to them begging for help, offering our civil rights in exchange.

Alexander Hamilton said, "Nothing is more common than for a free people, in times of heat and violence, to gratify momentary passions by letting into the government principles and precedents which afterward prove fatal to themselves." (Quoted in Ezra Taft Benson, "An Enemy Hath Done This")

Ch. 3 Exposing Corrupt Foundations

History is presented of Rockefeller, JP Morgan, Carnegie, and their ties to the Fed, IRS and income tax amendment. They get us to pay more taxes but are themselves exempt.

When you tax businesses, they never pay it, they merely all increase their prices. So taxing business is basically just taxing the citizens more.

Prosperity doesn't come from government, it comes from industry and hard work.

When China was communist people got angry and the Tiananmen Square massacre killing of thousands of Chinese happened. Now that they use free enterprise capitalism, their economy is booming.

Once a country becomes economically free (allowing free market exchange capitalism), religious freedom soon follows! And loss of economic liberty brings loss of religious liberty. China, then, should soon have religious freedom!

Explanation is presented of interlocking tax-exempt foundations controlling the US.

The founding fathers practiced non-interventionism.

Large colleges today don't have free market economist professors. This is part of how traditional American values are being replaced.

The Ford foundation pays colleges so long as they can pick who the teachers are, and those teachers get an un-cancelable contract, so they can teach whatever they want. p46

The Ford foundation was merging the US with the Soviet Union but wouldn't talk about it. p47-8.

The Rockefellers finance historians who rewrite the past in our books. p49

Roosevelt and Wilson committed large crimes to get the US into WW1 and WW2.

W. Cleon Skousen, referring to what J. Reuben Clark taught, said they're preparing another war for you which will be just as big a mistake as WW1 was.

Leaders made the Great Depression last many more years than it needed to. They bought up all the stock cheap, then made billions by putting the country through war.

The story of Thomas Jefferson's sexual affair isn't true. Those who speak against the personal life of Jefferson just happen to be the people who are against the ideals which he taught; it's an agenda to change history for political gain.

The book lists the programs, very communist, funded by the Ford foundation.

When a schoolbook teaches true history and morals, it is rejected. Funding is denied.

The psychology field gets money from these foundations to promote situational ethics, atheism, and collectivism.

A Soviet spy named Dodd who worked for Alger Hiss spoke of controlling the State Department and getting US into war to alter the life of the entire people. Dodd said war was the most effective way to alter everyone's lives in the way they wanted.

Note: They wanted more control, and less freedom for the people. End note.

The book speaks of a letter in which the foundations give directives telling US President Wilson to not let WW1 end too quickly.

J Edgar Hoover said, "the individual is handicapped by coming face to face with a conspiracy so monstrous he cannot believe it exists."

Info on the Reece Committee is presented.

The elites controlling public education is key to their plans.

Ch. 4 Education

Ben Franklin said people who know the rights God gave them are hard to enslave. And those who don't know their rights from God are easy to enslave.

In 1940 the #1 problem in schools was students talking back to teachers. Now it's murder, assault, teen pregnancy, teachers having sex with

students, etc.

Note: We can see that if we let go the little infractions, things grow into bigger infractions. End note.

The US was #1 in educational achievement for years. Now it's 35th.

Founding Fathers wanted localized control over education, now it's in the hands of federal government!

Thomas Jefferson said place each school under the care of those most interested in its conduct. (Hint: that's the parents!)

Far away bureaucracy of a few thousand people can't make the billions of needed decisions for local schools.

James Madison said that when the government takes over education of children and welfare for poor, it subverts the very foundation of this nation, throwing away the nature of the limited government it was set up for by the people of America.

Thomas Jefferson, the man who said let's have separation of church and state, is the man who saw to it that there were Christian hymnals in all the schools, and bibles in the schools. He wanted children to have a religious education.

Note: When Jefferson wrote a letter calling for separation of church and state, several of the states had state churches. It was clearly understood that this sentiment and the provisions in the first amendment were about keeping the federal government from getting in the way of the states doing as they so chose concerning religion. End note.

Early Americans preferred private education, and the students always did better.

What of who could not afford private school? There were always private charities and charity schools which would take care of them.

Alex de Tocqueville said it's very rare to find one in America not trained in the history of his country, the leading features of the Constitution, and of the doctrines and evidences of his religion.

Boston had more private schools than public ones, and by the end of the American Revolution, many towns had no common (public) schools at all.

The private schools were eligible for subsidies.

There were no compulsory attendance laws in early America. Communists claimed, "oh there are so many children running around in the streets!" The truth is that 91.8% of the children attended school.

Private schools save public from taxes of public school.

Unitarian socialists took over Harvard in 1805 and kicked out the Calvinists. Socialists want socialism for others but not for themselves, because they are egocentric like the rest of us. Humans are indeed egocentric; the bible teaches that men are wicked, and need be disciplined. Calvinists disciplined students in hard righteous work, but were kicked out.

Socialist Unitarians thought that if everyone were rich there would be no

issues in society, so they geared education systems toward merely earning money.

Robert Owen, father of socialism, considered children a blob of plastic which the society can shape any way it wants. Owen wanted the “Future Man” now known as the “Soviet Man”.

The elite want communism, but the public won’t have it, so they are slowly bringing it to us via the mandatory public schools.

Communism is a way to get compulsion, to get people to be ‘perfect’ (Satan’s plan).

Note: If the 20th century taught us nothing else, it is that communism never works. That’s what makes communism evil: they want to force the issue, and things get nasty quickly. No matter how cute the theory sounds, if it doesn’t work, the theory is trash! End note.

Rockefeller said “I want to own nothing, and control everything.”

Samuel L Blumenfeld in ‘Why the Schools Went Public’ said “Educational stateism is anti-republican in all its bearings, and is well adapted to Prussia and other European despotisms, but not wanted here [in the US]” ...the control over education then goes into all other aspects of society by the government.

Note: We are certainly seeing this too. Now we have school nurses, school cafeterias, school therapists, etc. Teachers are viewed as having moral authority above parents. The school is the focus of the community, and those who don’t bow to it are seen as most strange. Property taxes pour into elaborate schools even in small towns, crushing the people. End note.

Public schools replace the concept of God with the concept of the public good.

John Dewey (called the founder of modern education) was a humanist along with others of the Skull and Cross bones promote that humans are social animals, not tied to morals or religion. Dewey wants to get rid of profits, capitalism, competition, property, religion. He says there is no God and no room for fixed moral absolutes. Stalin invited Dewey to teach in the Soviet Union and Dewey was so ridiculous that he was fired and returned to America. Dewey taught chemistry without mention of protons neutrons atoms etc., but merely had students bake cakes to experience chemical reactions. Current education trends are following suit.

The reason government finances school is to move education from local control by the people to national control by the government.

Government people always claim solutions to public education problems are found in pouring more money into the schools.

The PEA and the NEA (National Education Association) keep saying that the more federal control there is over schools, the better they'll be.

Note: Sounds like a one size fits all! That's not human nature. That's why we have separate states, so people can express and live by their preferences. Allowing for differences is what shows us what works and what doesn't. Forcing schools to comply with national standards and values is more centralized communism, making kids a cog in a machine, banning parental influence. In reality, centralized education is a threat to religion, and every other freedom. How can a people be free if they can't even chose what to teach their children? End note.

The book cites several who say they want the children be owned by the public, not the parents. The government believes people can't handle their own affairs.

Government becomes its own publicity for its ideas.

Clinton proposed that civilians should have no say in the curriculum.

The No Child Left Behind (NCLB) program has "Open Court." which means the teachers must follow a certain script, and even ignore the questions of the students as they promote that script. There are federal police to enforce these mandates in the classrooms.

See the book "The Deliberate Dumbing Down of America" by Iserbyt.

Ch. 5 Welfare

Caring for the poor is not the duty of the government, it is the charity of the citizens. Socialists want to spend government money to help the poor, but they won't give any of their personal funds to help. Examples are shown.

Note: Studies have revealed that conservatives give more of their income to charity than liberals. See the book 'Who Really Cares?' End note.

Grover Cleveland said people give to the government but not vice versa; it makes the populace become meaner when government is who is in charge of giving to the poor. It weakens the kindness, character, and brotherhood of the people.

Government is not supposed to cut checks to farmers who have a bad crop, etc. President Cleveland turned down such requests since the Constitution doesn't say anything allowing that.

Government charity breeds selfishness, and resentment of the taxpayer. The recipient of government funds learns to expect it whether he earned it or not. It's like the man who refuses to move out of his parents' house thinking they own him a living.

Ezra Taft Benson said compulsory charity is not good; too many people think the government owes them something; they see welfare as a right and not a charity.

Government redistribution of wealth is robbery, not charity.

Shakespeare said charity is twice blessed: it blesses him that receives, and him that gives.

Alexander Tyler in "Circle of Democracy", 1770 said, "A democracy cannot exist as a permanent form of government. It can only exist until the voters discover that they can vote themselves money from the public treasury. From that moment on the majority always votes for the candidates promising the most money from the public treasury, with the result that a democracy always collapses over loose fiscal policy followed by a dictatorship."

This dictatorship what the NOW (New World Order) people are setting up for us.

Economics is defined as humans trying to satisfy unlimited wants through limited resources. Capitalism is self-restraint to ultimately get

our wants, whereas socialism is getting some things now, and prison later; socialism is to live in denial. When we want free things, it hurts our children's' future; there is no free lunch!

Thomas Jefferson said, "If we can prevent the government from wasting the labors of the people under the pretense of caring for them, they will be happy."

James Madison said if Congress can employ (spend) money indefinitely for the general welfare and are the sole and supreme judges of the general welfare, they may take the care or religion into their own hands; they will appoint teachers everywhere, educate the children, and assume provision of the poor. Such control subverts the very nature of the limited government established by the people of America.

Samuel Adams said, "the utopian schemes of leveling and a community of goods are as visionary and impracticable as those which vest all property in the Crown. [They] are arbitrary, despotic, and, in our government, unconstitutional."

Ezra Taft Benson said, "No one has the authority to grant such powers as welfare programs, schemes for redistributing the wealth, and activities that coerce people into acting in accordance with a prescribed code of social planning....Once government steps over this clear line...into the aggressive role of redistributing the wealth through taxation and providing so-called "benefits" of some of its citizens, it becomes a means for legalized plunder." (Conference Report Nov. 1968, p. 19)

Joseph F. Merrill said, "Ready-tongued and witty-minded ambitious politicians get nominated for office by stirring up the people with glowing promises of unearned favors and benefits to be secured at the

expense of others than themselves.” (Church News, Dec. 26, 1936)

David O. McKay said, “We are placed on this earth to work and the earth will give us a living.... It is our duty to strive to till the earth, subdue matter, conquer the globe, take care to the flocks and herds. It is the government’s duty to see that you are protected in it, and no other man has the right to deprive you of any of your privileges. But it is not the government’s duty to support you. I shall raise my voice as long as God gives me sound or ability, against the communistic idea that the government will take care of us all, and that everything belongs to the government.... It is wrong! No wonder, in trying to perpetuate that idea, that men become anti-Christ, because those teachings strike directly at the doctrines of the Savior. No government owes you a living. You get it yourself by your own acts-never by trespassing upon the rights of your neighbor, never by cheating him. You put a blemish upon your character the moment you do. ” (Church News, March 14, 1953)

Robert J. Ringer said when politicians give out more for less, that is exactly what the people will do- less. The more money people receive for not working, the less they will work. Congress spent \$112 million of taxpayers’ money testing 8,500 low income families, and they were given direct payments for 10 years, and the more these families received, the less they worked. (from ‘Restoring the American Dream’)

FDR (Franklin D Roosevelt) in his campaigning, said government welfare programs were unconstitutional. When he got in he ignored that and took the nation toward government welfare, which is socialism.

Note: FDR did this in a big way, and is one of the worst presidents. It’s little wonder that he often gets ranked as our best president in the liberal mainstream. End note.

“The New Deal” welfare programs of FDR are opposite of the Founding Fathers’ teachings, which teachings limited taxation to applying only to assist the general welfare of the US.

Note: This means when all are taxed, all should equally benefit from the tax, rather than selected people benefiting more than others. End note.

The Founding Fathers said that the government was not to feed cloth or house people.

Government welfare destroys the poor it was supposedly designed to help. (Demonstrations of this are presented in the book.)

Ch. 6 Media Hiding Truth

Reporter Upton Sinclair said, “It is difficult for them to see whose paycheck depends on them not seeing.”

The major news groups are controlled by the same international bankers.

The super-rich pay companies to not cover them in the media. David Rockefeller speaks of major media groups’ promises of discretion, and how he would not have been able to accomplish what he has in the light of publicity. He also says, “The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto determination practiced in past centuries.”

George Washington on foreign politics said be neutral and help both sides to have peace. In WWI (our first international war) we were not doing this.

Edward Bernays persuaded the US to enter WWI by telling us that the Huns had no morals and had to be destroyed. We fell for it. The NYT called Bernays the “Father of Public Relations.”

In Bernays’ book “Propaganda” from 1928, he said there is an inner cabinet of government we know not of, which rules us in politics, business, social conduct, and ethical thinking. This invisible group is dominated by only a few people. Bernays further spoke of the ability to persuade the public to do anything via media, using famous actors, sports personalities, sympathy for causes, and even the President. Bernays’ book shows that over the past 80 years, US Presidents came in by conspiracy.

Note: Another few good books on that are None Dare Call it Conspiracy by Gary Allen (which Ezra Taft Benson encouraged saints to read in General Conference), and The President Makers by Don Fotheringham. End note.

Hitler had a technique that if you tell a big lie long and loud enough, it will convince most people to believe it. This technique is using in promoting global warming, homosexuality, gun control, universal health care, the Cap and Trade bill, etc.

The media are controlled by a few rich elites. The Rockefeller’s own major percentages of major media corporations.

Rhodes Scholarships are used to introduce people to the conspiracy. Bill Clinton was one who took to it well; it promotes the idea of ruling the many by the few.

The book discusses The Trilateral Commission and Bilderberg group.

The book features a Council on Foreign Relations member who calls for getting a one world government either by consent or conquest.

Aldus Huxley exposes a media tactic of being silent about the truth.

The Aquarian Conspiracy is that the media is designed to promote drugs, 'free love,' promiscuity, homosexuality, Satanism, witchcraft, divorce, violence, and all such things that will destroy society.

The Orwellian prediction is that the government will use media to enslave people and create their values, tastes, desires.

Ms. Glaspie tricked Saddam Hussein into thinking the US would not attack if he did certain attacks, knowing we really would. p114

The US sending troops to settle disputes of UN (United Nations) is an important step toward the One World Government.

Polling is used as a tool to change public opinion p117

Note: And we know all too well from the 2016 election that the poles are rigged to show a favorable view of establishment candidates. End note.

A survey of 33 calls on gun policy was conducted, 3 of them wanted less guns as a solution to violence, the reporter played those 3 and ignored the other 30. p117

The NYT (New York Times) has been on the side of the communists since WWII.

Pope Paul VI (6th) speaks of thanking media for helping bring in the New World Order.

100 million TV's portray candidates in a certain way to brainwash.

Ch. 7 American Foreign Policy

The government orders the discarding of food so they can keep agriculture and market prices high. One man was fined for giving his excess to the poor rather than discarding of it. p125.

They call for famine assistance, but they created the famine. They ban trade while giving aid. Food is for these reasons 7x more expensive than it could be. 3rd world countries are not allowed to see first world countries and thus continue to depend on benefactors who ship them supplies. p126.

3rd world farmers cannot sell their food at a good price because of foreign aid being dumped on them p127.

The best way to promote peace is to invite other nations to join with us and live under our Constitution. Stay out of foreign entanglements but do aid victims of international wars. p127

Don't enforce democracy on others, Satan's way is force. The Founders endorsed commerce and social relations with other nations, but not alliances with them. Foreign defense policies (like the North Atlantic Treaty Organization (NATO) and Southeast Asia Treaty Organization

(SEATO) are bad for America as they can easily get us fighting inappropriate battles based on a requirement that when one member of the treaty is attacked all others must help it. Therefore these treaties make us military slaves. In pre-mortality everyone who is on this earth chose agency, so our current foreign policies are making people hate us. p128

Ron Paul speaks against foreign aid and explains how it makes nations entitled and is unconstitutional spending. p129

Ch 8 Controlling the Presidents

Roosevelt says all political things are by design, not chance. Crassus Pompeii and Julius Caesar sought to turn the republic into an empire. p130 Helaman 7:4-5 gives example of nations controlled from behind the scenes. The Wall Street Journal wrote that David Rockefeller, head of council on Foreign Relations, was as powerful as the head of state. David Rockefeller told head of state of Russia Khrushchev to resign, and he did within 24 hours. The Council on Foreign Relations, a major branch of the Establishment, is controlled by The Round Table. p132

The presidency is run by the Council on Foreign Relations. FDRs son-in-law reports FDRs ideas were not his own but were given him by the Council on Foreign Relations. FDR, Eisenhower, Kennedy, Johnson, and others gave into this power behind the scenes to get personal power. FDRs son-in-law says the 1932 FDR democratic political platform was made to get him in, then was discarded once he was in. p132 FDRs son in law goes on to say that 90% of people in the Council on Foreign Relations don't know who runs it or what its plans but are, and

are only there for status. FDR says Joseph Stalin trained him. Near his death, Woodrow Wilson admitted ruining his country (from working with the money barons). p133

12/14 of President Lyndon B. Johnson's councilors were Council on Foreign Relations members. Johnson didn't want to escalate the Vietnam war but they urged him to. Some of these advisors were personally against this war but advised it anyway for the Council on Foreign Relations sake. Top military officers say Vietnam could have lasted only a few months. p134

Note: Hands were intentionally tied to draw it out. For more information see The Politically Incorrect Guide to the Sixties by Jonathan Leaf. End note.

Council on Foreign Relations leaders chose to end the Vietnam war after over a half a million troops were deployed there and blamed it all on Johnson. The Council on Foreign Relations are the puppet masters of the presidents. p135 This is like Korihor being used by Satan until Satan didn't need him anymore.

Woodrow Wilson speaks of the fear major manufacturers have of the unseen organization which attacks those who speak against it. In a book of Wilsons speeches he admits America is controlled behind the scenes. These behind-the-scenes corporations used Wilsons desire for more government power to help the people to secure more power for themselves. Any increase in government power is increase in power of the Council on Foreign Relations and the bankers. The solution is take the power from the federal government and return it to the states, like the Constitution says. p136

Baron Edmond de Rothschild of France oversaw the creation of the Council on Foreign Relations. The book lists people involved in the

funding of the formation of the Fed and Council on Foreign Relations, including major names in these groups and major groups involved internationally in their creation. The book shows how these groups are interrelated. The House Brain Trust and Wise Men groups roles are explained, as well as House as a partner of Wilson. p138

Wilson and House had the same opinions. House wanted one world government. House wanted the Constitution scrapped, calling it outdated. House wanted Marxism and spirituality mixed. House worked with FDR as well. House helped make the income tax amendment. There's a group called The Inquiry composed of 100 social engineers, they created Council on Foreign Relations etc.

J. Reuben Clark an LDS General Authority was part of the J.P. Morgan company and when he heard them speaking of making another world war to get a new world government, since the WW1 failed to get them such, he reported this to church president Heber J Grant who he told him to get out of that company immediately which he did. Indeed, The United Nations was born via WW2. p138

Thus, we see WWI and WWII were attempts to get a new world government behind the scenes. J Reuben Clark said WWI and WWII were mistakes we were tricked into by appealing to our hearts.

The fed artificially pumped up the money supply in the 20s which caused the Great Depression and they used that to give themselves money. The Fed knew the market would crash and told certain people who planned to benefit therefrom. Details of how they created the Great Depression via stock manipulation are presented in the book. Overall it was taking money from the middle class and giving it to the rich. p139

World Wars were for the Fed to make money, to alter public opinion about foreign involvement causing us to become world policemen, and to get a world government. No more world wars came after the United Nations came into being.

WWIII will be to destroy America and Israel, and get a world government. Joseph Smith and Joseph Fielding Smith spoke of nations uniting as a negative thing. p140

FDR put embargos on Japan to maneuver them to attack us (at Pearl Harbor). Generals were left without info on the Pearl Harbor attack from their higher ups (who knew), which left them defenseless. p141

WW2 brought the Council on Foreign Relations power. p142

The Council on Foreign Relations gained power over the state department, then cabinet, then the Presidency. Council on Foreign Relations has private meetings which are forbidden from dispersing to the open public, which allows them to plot their agendas. The book lists the many agencies and individuals like head of the CIA, head of the NSA, Secretary of Interior, Secretary of Education, which are all members of the Council on Foreign Relations. p143-44

Regardless of whether a Republican or Democrat is the President, leading experts and advisors come from this Council on Foreign Relations circle. The Council on Foreign Relations is mainly composed of billionaires, CEOs of multinational corporations, international bankers, media leaders, University Presidents and other popular figures. Basically, the Council on Foreign Relations includes all the popular figures like senators congressmen and Supreme Court Judges, but there is representation from the middle class majority.

Note: The senators etc. are supposed to represent us, but of course it's not like the House of Representatives is represented there proportionately; it is clearly an imbalance of power. End note.

It is rule by the rich and powerful. The Council on Foreign Relations has all types of people in it who encourage radical extreme ideas. They claim that having diverse racial representation in the Council on Foreign Relations that such makes them open to all ideas and fair. The Council on Foreign Relations is how the President sidesteps the Constitution, and is a front man for private Council on Foreign Relations agenda. p145

Regan was not a member of the Council on Foreign Relations but Rockefeller supported his candidacy on the agreement that he would have George Bush, a conspirator, as his VP, and use Council on Foreign Relations members in his cabinet. This is what Regan did. See Garry Allen who wrote None Dare Call it Conspiracy.

Note: This is a book President Ezra Taft Benson suggested we read in a Conference Report; see the film of said address as the manuscript of it was scrubbed of this suggestion. End note.

The country is run in large part not just by the President, but his cabinet. p146

All options the cabinet gives to Regan are beneficial to the conspiracy. The reports they build for the president are designed to point him in a certain direction. p147

Rockefeller said the news has stayed out of their business 40 years, that they could not have done what they did in the light of publicity, that such has enabled his plans for a one world government ruled by the elite international bankers, which is says is better than the traditional way of the America.

The Bilderberg group calls for putting UN troops on US soil to restore order. They claim there are threats, whether real or false, to get the Americans to go along with it. Then they remove individual rights and put in a world government instead. p148

Largely thanks to the internet, information of these secret Council on Foreign Relations and Bilderberg meetings is beginning to come out despite the newspaper's agreements to shut down any news about these meetings that gets out.

People are seeing the difference between promises of presidential candidates and what they really do. For example, Obama rebuked the Iraqi and Afghanistan wars, he said he would pull out troops, but rather he put more troops in. Obama rebuked the \$750 billion bailout which George W. Bush engineered through Congress, then he did the same but for trillions of dollars of bailouts. Obama said he would make government more transparent but instead made his meetings and that of the Democrat Party leadership in congress closed. Bush Obama and all Presidents before them filled their cabinet with Council on Foreign Relations members. p149

A Council on Foreign Relations message leaked showing that they are purposefully denying Africans AIDS treatment. They call it Natural Selection, and claim it is to stop the spread of the disease. They called for a bacteriological warfare to get rid of non-white people once each generation. Bowers lists books about the Council on Foreign Relations and what they do in their secret meetings, like *The Shadows of Power* about the Council on Foreign Relations and American decline by James Perloff, and *The Council on Foreign Relations: Conspiracy to Rule the World* by Garry Allen see *American Opinion*, 1969. Bowers also suggests

a Secretary of State to Harry Truman. There are many more book suggestions in the book. p150

Clinton from his youth was wanted by the small circle of elites controlling the world behind the scenes. The book goes over another professor acknowledging the rule of the elite in secret hiding. p151

Ch. 9 The Round Table, The Trilateral Commission, and the Bilderbergers

Rothschilds fund groups to become monopolies and control all heritable land. p153

Round Table groups are communist and want to be secretive. p152
Founders of Round Table and their roots and ideologies are listed. The Times newspaper has been controlled by this group since 1890. p154
There's a New York Times article stating the plan of Rhodes Round Table founder to have a secret society which will collect the worlds wealth for supposedly good purposes.

The Round Table is above the Council on Foreign Relations and it also controls the Royal Institute of International Affairs (RIIA). The Council on Foreign Relations takes orders from the RIIA, and the RIIA takes its orders from the Round Table. The RIIA controls USA and British government.

The Round Table vowed to get America back under British control after the Americans defeated the British in the Revolutionary war, and now they have succeeded. For more on the Round Table, read The Anglo-American Establishment by Carroll Quigley. Trilateral Commission was

founded by David Rockefeller. p155

Trilateral Commission's purpose is to bring all economies into one world economy, or possibly three. They control NAFTA and GATT. The Trilateral Commission forced the Maastricht treaty which brought the European Union into being. The Trilateral Commission is even more exclusive than the Council on Foreign Relations. Jimmy Carter became president by the Trilateral Commission. Bush Clinton and others are Trilateral Commission members. p156

The Trilateral Commission wants there to be no borders to help business flow, but this would require a one world government with a supreme dictator.

A book on the Trilateral Commission is the 3-volume book *Trilaterals Over Washington* by Antony C. Sutton and Patrick M. Wood.

Bilderbergers are another conspiracy group who meet in hotels for 3-4-day annual conferences beginning in 1954. They send all hotel employees home for it and staff it with their own people, checking everything for bugs. They set up a security checkpoint guardhouse to only let those with pre-issued ID cards. They control EU politics including the government of Russia and have some control over the USA. Some of their members also belong to the Council on Foreign Relations, Trilateral Commission etc. These organizations reinforce each other. They kill who they want to. p157

See the book *The Committee of 300* by Dr. Coleman.

The Bilderberger group also said the USA settling United Nations disputes is an important step in going toward a one world government and is almost accomplished. This was said when Bush was about to enter

Gulf war with Sudan Hussein. Bush had General Schwarzkopf lead an international army, the majority of which were Americans, against Iraq. Bush said that it was for getting a new world order.

Elitists always try to get us to increasingly be the policemen of the world. Conflicts are usually nurtured by conspiratorial elites who then get the USA to go in and bring peace.

Despite Republican and Democratic parties saying they don't like the idea of America being the world policemen, they have us go into conflicts to bring peace anyway. p158

Our presidents should look out for our welfare and not go around making other countries mad at us for our intervening.

Note: A case could be made for some intervention but it's usually a bad idea and often is tied to conspiratorial motivations. End note.

The North Atlantic Treaty Organization (NATO) says we can only issue forces to foreign states for **defense**, but in Kosovo war we did the opposite. It was an internal Yugoslavian affair that did not threaten other nations at all. The UN is the world army via NATO, and the US is now a part of it. Now NATO can attack any time anywhere, not just defensively. The global (no longer just western European) role of NATO is a big step to surrendering national sovereignty. p159.

US President can commit **troops** for 60 days **without the consent of Congress**. Clinton ignored this and continued bombing 78 days without Congressional approval. Constitution says it is Congress who has power to declare war, but now we have an imperial presidency who does it. Founders of the US made this rule, which we no longer follow, to avoid

becoming like the Roman empire again. Republics die when they let one man declare wars.

The **Kosovo** conflict was clearly aggression by NATO under direction of Bilderbergers to acquire land, Kosovo having the richest mines in Europe. p160

The negotiation with Kosovo was 'agree or get bombed.' Details of the original agreements were not released until after the bombing began. The official document, which is on the internet now, reveals that NATO could go anywhere in Yugoslavia and not be punished for anything they do there. A twisted government was foisted on Kosovo. p161

NATO was set up as the sovereign controller of Kosovo. Replacing their police, disarming local police, and other means were used to overpower laws the Kosovo people decided on. NATO had power to censor their media. NATO imposed an economy which required them to put things up for sale, and Bilderbergers bought the mines in the name of humanitarianism, so now they control the region.

The **Bilderberg group is superior** to the Council on Foreign Relations and Trilateral Commission and RIIR (Britain's Council on Foreign Relations) and RT, an apex of pyramidal power of secret combinations. p162

Many conspiratorial groups work together. Some of the most prominent are **think tanks** like the Heritage Foundation, **professional** associations like the Institute for Pacific Relations, **fraternal** organizations like the Free Masons, **Universities** with conspirators on their Board of Regents like Harvard and Yale, tax exempt **foundations** like the Ford Foundation, **religious** organizations like the World Council of Churches, **political** organizations like the United Nations, **military** organizations like NATO, and **aristocratic** associations like the Black Nobility of Europe. p163

Ch. 10 Terrorism and 9/11

“Day of the great slaughter with the towers fall” -Isaiah 30:25

Rome took over places by false terrorism. p164-5

Jeb Bush, Dick Chaney, and other prominent people had a plan for an **American World Empire**. The document Rebuilding Americas Defenses written in Sept. 2000 by PNAC showed that they wanted to control the Gulf region whether or not Saddam Hussein was in power. The US wants to control many parts of the world for its worldwide control system.

At least 11 countries warned the US of 9/11 before it happened. Names of 4 of the 9/11 hijackers were provided to the US but none of them were arrested. 9/11 leads were not followed up on. One hijacker who we consider the 20th was seeking to learn to steer large air liners and had radical Islamic ties but the FBI would not allow his computer with plans of a 9/11 mission to be searched. p167

Between Sept. 2000 and June 2001 there were 67 occasions where our jets went up to examine off coarse planes, but nothing happened with the 9/11 off coarse planes.

A former US federal crimes prosecutor said there was such substantial evidence given before 9/11 attack to the CIA and the FBI that they cannot claim to assert a defense of incompetence.

Why would the US attack itself? To maintain its hegemony by forcing a situation where they could excuse getting into the oil supplies.

The US was informed immediately of the hijackings and could have shot down all the hijacked planes which crashed into the towers and the Pentagon but they did not act. p168

Vice President Cheney, despite having info about the hijacking beforehand, did not order the planes to be shot down until after they had crashed, and even that order was not passed on.

Experts show that if was not just airplanes and fires that caused the buildings to explode, it was demolition.

And tower 7 was not even hit by a plane but still fell. p168
Buildings closer than tower 7 did not fall, so we can't say the fall was from proximity.

Jet fuel won't get hot enough to melt steel and cause a building to fall.
p170

Sulfur from thermite (which is a demolition product) was in the remains.
See journalof911studies.com. p171

A long-standing engineer and professor of BYU gave evidence that 9/11 was a demolition, perhaps to get the US in a war via international bankers. p172

People making these claims get their character attacked more often than their arguments responded to. p173

Rudy Giuliani had an office in building 7 and was told to leave it before it collapsed but will not tell us who told him or why.

The pancake collapse explanation of why building 7 fell does not hold up with engineers.

The official report of 9/11 did not even mention building 7, a 47-story building.

The near free fall speed of the buildings had to be from demolition. p174

A World Trade Center janitor heard 2 bombs go off beneath him in the basement of the WTC before the plane hit. He was rescuing people from those explosions before the planes hit. He witnesses that the government denying these prior explosions is a lie and a cover up. He had been working there 20 years. He tells his story in Latin countries, but they won't let him tell it here. This janitor heard other explosions as well. 14 others who were there similarly testified.

A reporter announced the collapse of building 7 20 minutes before it collapsed, somehow accidentally getting this news from one who knew it would fall and reading it too early. p175-6

Ch. 11 Illuminati: The Enlightened Ones

Founder of Illuminati Adam Weishaupt says the end justifies the means; that sin is not sin if it is done with the intent of some supposed good or helpful idea. (Obviously this is wrong.) This Adam W. was deep into the occult. Illuminati means the Enlightened Ones.

The Rothschilds controlled the Illuminati by financing Adam W.

Masonic lodges are a headquarters for Illuminati.

Rothschilds have instigated all wars. David Rockefeller is a partner with the Rothschilds.

They have pharmaceutical companies and a lawsuit was filed against them for **creating swine flu then promoting the vaccine** to such, thus making billions. This is repeated with other diseases.

They could be the ones who will cause the destructions before the second coming of Christ.

There are documents of a NYC drug ring creating and sending out swine flu. The drug ring was controlled by Rockefeller. These documents were sent to the FBI but because of the Rockefellers' hand in government they probably will not do anything with them. p179

Weishaupt knew many ancient languages and read texts and was convinced the Great Giza Pyramid was for initiation ceremonies. In 1771 he made his organization then in 1776 changed its name to Illuminati. It copied rites of the Masons.

Illuminati was funded by the Rothschilds to be able to put people into positions in which they could **cause wars**.

The Illuminati were based on philosophies of Rousseau, Voltaire, Diderot, and others of the Paris academy in 18th century, the age of reason by

these philosophers is actually a **hatred of how Christianity had power** over monarchies of Europe and its intent was to destroy Christianity. They made a **fraternity to destroy the Church** called the Philosophes. **Voltaire said that Christianity is the devil** and said to lie boldly to always to promote the cause against these things; he wanted all morals from religions and monarchs to be destroyed. p180

Adam W. had an order established to convince people that it was a charitable organization. When the people were going to move up **higher in the organization** he told them that to do so they would have to **denounce all religion and monarchy**, these being in the way of the happiness of humans. If they would not, they would not advance in the order. Once in the high order, not the Illuminatis Minor, but the Illuminatis Major, the real **purpose of the organization, to rule the world**, was revealed to that person. They were to do that **by destroying all existing governments and religions**. They then would take an **oath promising their every effort would be to that order**, and to their superiors in the order.

They had a group of police called the Insinuating Brethren. If they caught one another **trying to tell people of the order they were to be killed**. Its insignia was the all-seeing eye. Weishaupt was a Jesuit so he brought much of the Jesuit order into Illuminati. (Jesuits were originally for promoting Christianity in foreign lands.) He deemed himself Rex (king) in the secret order.

The texts of the order spoke of **engendering hate towards races and sexes and religions**. He wrote of what type buildings they were to burn. He planned the attacks, the 20th century **violence** seems to follow the instructions he wrote. p181

In 1782 the Illuminati infiltrated the German Free Masons which soon became all European Free Masons, by their alluring promises of sharing the secrets the Illuminati had to offer. *(Note: Recall American free masons are a separate group and were not taken over by Illuminati until late 19th century. End note.)* The **French Revolution** (late 1700s) was started by the Illuminati. This was by their creation of the Jacobian club houses which had radical ideas.

The French Revolution came in the **pretense of the aristocrats starving** the others out. So rebels beheaded all the aristocrats they could. These rebels were Illuminati. **Illuminati member Robespierre** (leader of the reign of terror) who lead the revolt was killed, but had plans to kill 15 million Frenchmen, though only 300,000 were killed. After the **failure** of the French Revolution they **went into hiding** but did not die out.

A **mail man carrying Illuminati papers from Weishaupt was struck by lightning** and his papers were discovered, so the police **shut down many Masonic Lodges** known to be in the control of the Illuminati at that time in 1785. The Illuminati never ended, it just **went underground** with different names, same agendas. These subgroups have the same hand signs etc. and refer to themselves as Illuminati despite their different names. p182

The unfinished pyramid with the all-seeing eye as the top stone was the seal, and it had the words Annuit Coeptis Vovus Ordo Seclorum meaning announcing the conception of the new order of the ages. Then roman numerals for 1776 at the bottom. This is what is on the back of our US dollar bill. The order is still alive and in control.

A partial **list of the groups in which the Illuminati did or does exist include:**

- The German Union.

- The Tungendbund.
- Jacobian Clubs. They carried out the French Revolution.
- Sublimes Maitres Parfaits, aka Sublime Perfect Masters.
- Societe des Saisons, aka Society of Seasons.
- Leagues of the Just. They commissioned Karl Marx and Frederick Engels to write the Communist Manifesto then changed the name of the group to the Communist League, thus the communist movement of the 20th century was from the Illuminati.
- The Politburo of Russia still get together and have their handshakes and punishments etc. of old. Like the Illuminati they replaced they still want destroy all religion and government hence they celebrate **May Day** which is May 1 of 1776 when the Illuminati was formed; the communists still think they will be able to rule the world with the new world order despite glasnost and perestroika.
- The Thule Society. They made The Skull and Crossbones group, originally a fraternity of Yale University but taken over by Thule society. Those who readily believed their philosophies were given rank and the Rhodes Scholarships. President Bush was a member of Skull and Crossbones, and President Clinton was a Rhodes Scholar.
- The Club of Rome. They push for more governmental controls over the environment and thus over people.
- Fabian Socialism.
- Anarchism. p183-184
- The Executive Committee of the Council on Foreign Relations is made up of Illuminati members. When joining the committee they go to a small room in the UN building and at an altar with the all seeing eye they are given the handshakes oaths and rituals of the highest, Rex, Illuminati Order. p184

Hegelian Dialect is about mixing thesis with antithesis to create synthesis.

Note: It's basically putting out crazy ideas and they get more and more accepted. Even if your initial counter-ideas are further than what you really want, you put them out there so the 'compromise' is closer to what you want, that you wouldn't otherwise get. End note.

In 1992 Gorbachev still would not admit that socialist theory failed or that communism is dead. He said, "An alternative between capitalism and communism is in the offing [immediate future]." This directly lines up with Illuminati methods.

Nesta Webster wrote a book based on what Weishaupt called The New World Order, in a book by Nesta called World Revolution, it lists the 6 goals of the New World Order:

1. Abolition of monarchy and all ordered government.
2. Abolition of private property.
3. Abolition of inheritance.
4. Abolition of patriotism.
5. Abolition of the family (i.e. of marriage and all morality, and the institution of the communal education system of children).
6. Abolition of religion.

Hegel, a social philosopher, said that **war** is what is needed **to mix views** of people, and thus planned wars could mix views of people in a planned way. p186

Capitalism was the thesis, the current, so they posed an antithesis, being the opposite, which was communism (state owned, state planned, dictatorially run atheist society), opposite of capitalism (which was from Judeo-Christian values and a free market economy.)

Now soon is coming in the "offing" (immediate future) according the Gorbachev, the antithesis of these ideas, which is the socially engineered

synthesis , the New World Order. In this system the means of production and distribution are privately owned, but the government dictates how much is produced and how many companies can produce the same product.

As for religion, the New World Order is not Judeo-Christian or Atheist, it is Satanic, the 'nice' middle ground. This is what they wanted all along, this is why they went with communism for a time to get here.

Note: This is an interesting possibility, but it could also just be that they want communism. Satan's ultimate goal is to enslave and then kill all of humanity. End note.

To understand the contrast between capitalists and communists, read Wall Street and the Bolshevik Revolution by Anthony Sutton, and Wall Street and the Rise of Hitler by Anthony Sutton. These books also show that the American and European international bankers financed both the Bolshevik Revolution and the Nazi Movement. p187

The thesis, aka the status quo of capitalism, and the antithesis, aka the opposite of the status quo which is communism, were influenced by the Bolshevik Revolution and the Nazi movement by the same puppeteer to get their desired outcome, the synthesis of a New World Government. The New World Order people in the Nazi party financed Hitler to see if Fascism was a feasible economic theory to use in their New World Order. Fascism caused Germany to go from WW1 desolation into a super-power strong enough almost to take over the world against the might of the USA.

The USA is who lead the world, and they had capitalism, hence the antithesis had to be opposite of the then most powerful nation, the USA. So, they chose the antithesis of communism. For the creation of the

synthesis, they needed a government to become the antithesis, they chose a place with similar land resources, size, and population as the USA: Russia.

The Illuminati funded Lenin in his revolt against the Czars of Russia. The western money and political power which the Illuminati pumped into Russia kept it from collapsing in communism for a while (communism is weak as a system and would have otherwise collapsed more quickly).

After WW2 Russians planned conflict with the US. The antithesis and the thesis conflict, and the synthesis New World Order begins. There are leaders of the Western Capitalists that are just as involved in this mingling as the leaders of Communism, all working together to create a New World Order. Gorbachev reveals this. p188

A Rothschild agent used \$20 billion for the triumph of Bolshevism in Russia. Internationalists control communism. Communism was financed by capitalists to further the New World Order agenda.

This pattern of creating your own enemies to gain power was used in ancient Rome. 9/11, an inside terrorist attack, was done to have an excuse for the Patriot Act which destroys the 4th Amendment to the Bill of Rights etc. p189

Ch. 12 The Committee of 300

A financial advisor to the Rothschilds spoke of The Committee of 300 who chooses who will lead Europe. Six months later this whistleblower was assassinated.

This Committee of 300 coordinates the efforts of the other conspiracies and is a clearing house for them. Some government heads call these people the Magicians. Stalin called them the Dark Forces. President Eisenhower called them the Military-Industrial Complex. They call themselves the Olympians (they consider themselves gods).

The Committee of 300 have members who are the directors of the Council on Foreign Relations, Trilateral Commission, the Round Table, Illuminati, and other conspiratorial groups.

Also on the Committee are the aristocracy of Europe such as the Royal Family of England. These people once knew power then seemed to give it up 150 years ago, but people who experience power do not like to give it up, and now acting behind the scenes they are more powerful than ever. p190. The same time the European and English aristocracies were being phased out of power is the time that the Committee of 300 came into power around the 1840s, which is no coincidence.

These powerful conspirators all intend to rule the world. They fight each other and join multiple groups to climb the ladder. They will eventually kill each other and make the earth desolate. p191

Some secret societies start out with good intentions, but Satan takes them over. Satan works in the dark and secret, and when you play in his backyard, he takes over.

Some conspiratorial groups are as follows:

- The Council of 3: These are not mortals, like an apocalyptic Satanic trinity.
- The Counsel of 9, aka The Nine.
- The Council of 13, which is a Grand Druid Council of 13 highest ranking witches in the world, who take orders directly from the Rothschilds and no one else).
- The Council of 33, which is the top 33 Free Masons in the world.
- The Council of 300.
- The Council of 500, entailing the 500 richest men in the world.
- The Black Nobility of Europe, which is the crown heads of Europe.
- The Theosophical Society, who was founded under the direction of Freemasonry, and who founded the New Age Movement.
- The Golden Dawn, which involves witchcraft of the Rothschilds and human sacrifice.
- The Priory of Sion which is said to have the Holy Grail, and is the head of organization of the Templars.
- P2 Masonry, which is an Italian Freemasonry group taken over by Illuminati and specializing in political assassinations.
- Ordo Templis Orientali aka OTO, is higher than Freemasonry, and specializes in every known sexual perversion.
- The Club of Rome: This group entails elites who use scare tactics of environmental concerns to bring in the New World Order. Al Gore promotes the New World Order in his film 'An Inconvenient Truth.' This group is behind the hoax claim that global warming is manmade.
- The Jesuits: This group began in 1540 and was responsible for the Inquisition. It grew into a society that took over the Catholic Church and runs it through the Black General, a label given to the head of the order. The Jesuits have their own agenda for a New World Order. According to Jesuit documents, the Catholic Church

will head the order, which would imply Jesuits running it behind the scenes.

- The Kabbala is a Jewish organization, the oldest group, and likely responsible for Crucifixion of Jesus. The top members of the Sanhedrin were members.

The 20 goals of the Committee of 300 are:

1. To create a one world government with a unified church and monetary system they direct.
2. To destroy national identity and pride including the Constitution.
3. To destroy religion, especially Christian religion. The only religion allowed will be one they create.
4. To control the minds of every human with technotronics.
5. To stop industry except computers. For workers go to Mexico for slave labor and for unemployable people to get on drugs or executed.
6. To legalize drugs and pornography.

Note: To further corrupt human character, making people weaker and easier to enslave. God doesn't want you to be a weak slave, that's why He has said to not use these things. End note.

7. To depopulate large cities. A trial run was done in Cambodia under the Pol Pot regime.
8. To suppress scientific development except for what benefits their agenda.

9. To use war starvation and disease to kill 3 billion people. The Global 2000 Report accepted by President Carter calls for this, including a call for the US population to be lowered to 100 million by year 2050. (*Currently we are about 350 million.*)

10. To use various means to morally corrupt society, such as creating massive unemployment so people will turn to drugs alcohol and rock music and destroy the family. This plan by its authors is found in The Aquarian Conspiracy. Stanford Professor Willis Harmon wrote it, and others involved are listed in Bowers' book. p193-194 The report "Changing the Images of Man" by the Committee of 300 is what contains the Aquarian Conspiracy.

They want to demoralize America via the acceptance of drugs, free sex, violence, murder, homosexuality, pornography, abortion on demand, etc., all with the goal of destroying the family.

Their plan appears to be working. Single parent families are now more common than 2 parent families.

The conspirators promoted The Beatles and similar rock bands to promote drugs and free sex.

Note: It's no wonder that many church leaders have denounced rock-n-roll music as being of the devil. Rock has always been about rebellion against societal norms. Sure, not every song promotes bad things, and sure, there are some things we do need to rebel against, but in general, the genre is corrupt. We don't want our children getting a taste for the genre, lest it lead them to the 'stars' of the genre, which invariably do promote evil things. Music is a hard thing to control, a well-baited hook. Take caution and do what you can to move in a more positive direction on this subject. End note.

They also encourage criminal and misdemeanor activity.

15 million babies have been murdered (and it's much more now). p195-196

Note: Jonathan Cahn has fascinating findings in his Josiah Manifesto book suggesting the COVID-19 pandemic deaths were a direct punishment on society for the 50 years of abortion we had tolerated since Roe v. Wade. He shows that the number of COVID deaths lined up with the number of abortions. He showed that when Roe v. Wade was overturned, the death toll from COVID also began to decline. End note.

11. To create crisis and then solve the crisis, hampering the ability of the people to make decisions, getting them to rely on others, making the system look like the savior.

12. to create new cults and boost those already functioning, such as the Mick Jagger's "Rolling Stones" and all the rock group followers. p197

Elder Gene R Cook of the Seventy in a talk in 1989 titled "The Eternal Nature of the Law of Chastity" says the Lord has music, and so does the Devil. What you listen to effects your chastity. Mick Jagger said to Elder Cook on a plane that, "**Our music is calculated to drive kids to sex...** Well it's not my fault what they do. That's up to them. I'm just making a lot of money." Jagger went on to say he was excited of the advent of **music videos** as they could **show the sex not just talk** about it. Jagger said he has children out of wedlock and is proud of it. Jagger said that people can do whatever they want, take whatever they want, that there are no commandments, no God, and that nothing really mattered (cf. Alma 30:13-18).

Jagger said he believed in evolution, that he descended from a monkey, that children should do what they want despite their parents, that parents limit them, and that he was glad that the family was being destroyed as an entity.

Jagger continued and said to Cook disparaging things about The Book of Mormon and the Mormons. Then Elder Cook told him that the Book of Mormon is not the lie, but rather that he is the lie, and that if he does not turn his life around he is going to hell. Elder Cook told him that he would be a witness that he gave him this message at the judgement bar of God.

The music industry is not by chance, it is designed by the Committee of 300.

Note: It seems this committee is like the General Authorities of the Church of the Devil! End note.

13. To spread religious cults like the Muslim Brotherhood, Sikhs, The Muslim Foundation, etc.

Ayatollah Khomeini was created by British Intelligence Military Intelligence 6 (MI6).

The values of Muslims are being preached by the US and British government. Muslims are encouraged to migrate to the west despite the fact that their values are contrary to the US Constitution. Muslim ideas are promoted in our schools.

14. To export 'religious liberation' ideas to undermine all religion, especially Christianity.

15. To cause total economic collapse on earth and total political chaos.

16. To control foreign and domestic US policies. p198

17. To give full support to international organizations like the United Nations (UN), International Monetary Fund (IMF), Bank for International Settlements (BIS), World Court, and phase out local institutions, bringing them under the United Nations.

18 To penetrate all governments and work within them to destroy their sovereignty.

19 To make a worldwide terrorist apparatus and to negotiate with terrorist agencies whenever such arise.

20. To control US education to destroy it. See book "The Deliberate Dumbing Down of America" by Charlotte Thomson Iserbyt. Education in US is geared toward leading Americans to world government by socialists controlled by behavioral and social scientists. This is a massive text and puts it all in order. The book shows how the social engineers say there are certain crisis and use radical methods because of such, but never really fix anything and make things up to get their agenda through. Speaks of how US education is now used to promote humanism, atheism, and stupidity. p199-200

What Life Will Be Like in The New World Order:

They will have a non-elected hereditary oligarchy like the Middle Ages, and will limit the human population by limit family size, disease, war, famine, until only 1 billion remain to serve the ruling class. p200

There will be no middle class, only rulers and slaves. There will be world courts with unified laws, a one world police and military, no national

boundaries, and no private firearms. Those who rebel against the New World Order will be called outlaws and everyone will be allowed to kill them on sight.

The only religion will be Luciferianism with witchcraft taught in public school. There will be no private schools, no Christianity, no republicanism, and no sovereignty with the people. There will be severe penalty to mention racial or national identity. A number will be printed on each person which brings up all government files on them. The CIA FBI SSI (Social Security Income) IRS FEMA (Federal Emergency Management Agency) will all be vastly expanded and easily accessed.

Marriage will be outlawed and children will be raised by state wards as state property. Women will continue to be degraded by the 'women's liberation' movement, free sex will be mandatory, and abortion for after 2 children will be mandatory. p201

There will be compulsory showing of pornography, heterosexual and homosexual, will be shown in all theaters etc. Recreational drug use will be compulsory with all having a drug quota and drugs bought at one-world-government stores all over the world. Mind control drugs will be expanded and compulsory by being put into the food and water without knowledge of the people. Drug bars will be set up where the slave-class must spend all its time. People will thus become controlled animals with no mind of their own.

In the New World Order the economic system will make just enough food to keep the slaves going in their mass labor camps. The people will all be taught that they are totally dependent on the state for survival. (They'll slowly transition into this slavery.) The world will be ruled by the Committee of 300 whose decrees will be binding instant law.

Boris Yeltsin of the Committee says they'll try the system on Russia as a trial run. There will be courts of punishment, no courts of justice. Industry and agriculture will operate strictly by the control of the Committee of 300.

There will be compulsory euthanasia for the old and terminally ill. City size will be controlled. Four billion "useless eaters" will be eliminated by 2050 by war, organized epidemics (including rapid-acting diseases) and starvation. Energy and food for the non-elite will be kept at the bare minimum.

The world population will become 1 billion, and half of that will be the Chinese and Japanese races as they have been regimented for centuries to obey authority without question. There will be artificial food storage by the government to show the people they rely on the state to survive. Private banks will be outlawed, only the Bank of International Settlements (BIS) and the World Bank (WB) will be in operation. p202

There will be no wage disputes allowed. Uniform pay scales chosen by the government. There will be immediate execution to those who break the law.

HG Wells says many will give their lives to fight against the establishment of the New World Order, but that this is an acceptable cost. Arthur Schlesinger Jr. agrees that it will only come by blood.

The new less frightening term they use for New World Order is Globalization. They still use the term New World Order in their private meetings.

The Founding Fathers knew that a society has a collective conscience. Fifty years ago we had one, now we have lost that innocence. We lost our

national identity and conscience. They said that God can't punish a nation in the next life as it has no soul, so He must punish nations in this world, and He does so by destroying them.

The Tavistock Institute is one agency used by the Committee of 300. Its founder was from the 300. They create brainwashing programs like The Aquarian Conspiracy before mentioned. (p204)

Economic Committee of the North Atlantic Institute is another group by the 300. They are doing social reforms and want to rewrite the US Constitution to be more socialistic and monarchical like that of Denmark. The members of this institute are communists. One policy they seek to promote is a zero-growth post-industrial policy to cut down US industry by vast amounts to far below what it was in 1969.

The Systems Development Corporation which seeks to build a vast database of every US citizen's medical financial criminal and personal information. It is run by the 300. The Mount Pelerin Society, The Hoover Institution (which was originally an anti-communist think tank and was taken over), and the Heritage Foundation (a conservative think tank also in their dominion), are also all controlled by the 300.

See the book "Conspirators Hierarchy: The Story of the Committee of 300."

Pushing Drugs:

The Beatles song "I get by with a little help from my friends" was referring to drugs. Drugs are controlled by the 300. Its front organizations are for instance, the Columbian family cartels, the American and Italian Mafia, and the Royal Family of England. These groups under the control

of the Committee of 300 are who have done most of the moving of drugs in the past 300 years.

The Committee of 300 in drug trade began with the British East India Company (BEIC). The British Aristocracy had majority of members in this committee. They learned selling opium would get people addicted to their product and they capitalized on that. The British would not take the Opium, but the Chinese under oppression from their leaders did. They called this the China Inland Mission. It passed itself off as a Christian mission. The first samples were always free to hook people.
(p206)

The British Royal Family sanctioned giving selling and teaching how to smoke opium to the Chinese. The opium was brought to America and a railroad was built to carry it. The workers who built the railroad were the Chinese strung out on opium. Many negros in America were stronger and needed work, but the Chinese were imported to work on it so they could pass on the opium and get more people addicted. At that point the negros were not using opium.

The Boxer Rebellion we are told was the west defending legitimate ideals in the east. Actually it was China trying to get rid of the opium trade which the Committee of 300 via British parliament was forcing on them. The Chinese outlawed opium when they found what was going on. The Chinese started their attack by destroying large storages of opium and sinking ships with opium. The British used this as excuse to start a war and had people push opium even in the fighting. The Chinese lost the war and were forced to sign the Tientsin Treaty which allowed full British access without taxation regulation or prohibition.

Then when communists took over China in 1949 with Mao Tse-Tung they became partners with the drug dealers. And so it remains to this day.

When the Committee hears of others pushing dope, they tell the Drug Enforcement Administration about it so they can get rid of the competition. They have spies everywhere.

Read more about the British Royal Family and drugs in the book, "The Imperial Drug Trade."

Ch. 13 Religion of the New World Order

People admire liars and hate those who try to tell them the truth.

The spirit gives light to all people, and that light is the spirit of Jesus Christ, and whoever hearkens to it has come to God the Father. (D&C 84:45-47; Moroni 7:16-17). So do your best with what you know, and you'll be saved.

After the Amalekites and Amulonites rejected the true gospel they still built synagogues and attempted to worship God. The desire for religion is universal.

Satan tries to get people to worship in any way except the true way. He fills the vacuum of the desire to worship with something else when people reject the true God.

Satan tries to sell many doctrines, hence there are so many churches. Ultimately Satan wants people to worship him (see Moses 1:12, 18-22; Matt. 4:8-10). p210

Satan does not enter the Eden scene until God had given Adam commandments, to which Satan could fight against. Therefore we call him the adversary as he always fights against God and Christ. It's like the law of physics - for every action an equal but opposite reaction.

There are things to act, and things to be acted upon (2 Ne. 2:14).

Intelligence is what acts, matter is what is acted upon. These are the only two things that have always existed (see D&C 93:29, 33).

Satan has no intelligence because he has no light and truth, which is the definition of intelligence. This means he has become **a thing to be acted upon**, not a thing to act. He **cannot act to his own accord**.

He simply reacts in an opposite direction to what God desires. Hence, he wants people to worship him.

Note: The Devil is an expression of the debased condition a person can get to when they completely reject God – they find themselves in a position of zero freedom, acting compulsively against everything that is good, without freedom to do otherwise. They have pushed themselves into a corner where no freedom is possible. A position of complete and never-ending damnation. End note.

Church of the Devil has dominion (control) over all earth (1 Ne. 14:10-11).

Ezra Taft Benson says secret combinations seeking to overthrow the freedom of all lands are increasing their evil influence in America and in the entire world (see Ensign Nov. 1988, p86).

A church may be defined as an organization which adores a supreme being, has defined tenants and beliefs, and practices prescribed rites or ordinances. Non-religious organizations, i.e. financial and political, may still count as a church under this definition. Humanism, existentialism, relativism, theory of evolution, materialism, these can all qualify as

religions.

Worshippers of Lucifer particularly hate Christianity, it standing against all they stand for. They have their own form of religion with ritual etc. If the world were only good, no worship of Lucifer would exist. Truth is knowledge of things how they really are (D&C 93:24), and it's not always pleasant, but it always empowers us to make good choices.

The New World Order religion is Luciferianism. David Spangler (director of the Planetary Initiative for the United Nations) says Luciferianism operates as an initiation into the New World Order. He says it is the way to wholeness and liberation to both Lucifer and mankind. Spangler is in the New Age Movement. p213

The founder of the New Age Movement says Lucifer is the Savior, the logos, civilization, and everything good (see Helena Petrovna Blavatsky, "The Secret Doctrine, vol. 2, 171, 225, 255).

Luciferians say Adonai is the bad God and Lucifer the good one.

Not all the members of secret organizations worship Lucifer, many are deceived. The leaders of the organization do worship Lucifer.

The Executive Committee of the Council on Foreign Relations take rites of initiation promising to serve Lucifer (see book "Secret Societies/New World Order" by Milton William Cooper).

Lucifer keeps his dominion of various organizations in secret. He knows that mankind is against him overall. We all rejected Lucifer in pre-mortality (Moses 4:1-4; Rev. 12:3, 4; 7-9). Lucifer hates all mortals as they are the ones who rejected him in pre-mortality. He especially hates those

who promoted the plan of God.

Some of the other **organizations which worship Lucifer** in the top levels include the Tri-Lateral Commission, the Bilderbergers, the Royal Institute for International Affairs, the Round Table Group, the Club of Rome, the Skull and Bones, the Thule Society, the World Council of Churches, and the Illuminati. Witchcraft and Satanism lead to Luciferianism.

Witchcraft practitioners are initiated into Luciferianism by being told it's an old polysynthetic religion that worships the 'gods' of nature. They are told that they can get in touch with 'spirit guides' (evil spirits) that will speak to their minds and guide them to "higher levels of consciousness." These evil spirits help fulfill spells that are cast. So yes, they can really cast spells which really work. They deceptively say it is like Christian prayer. These spells are no match for God's power, God oversees all. Those who keep covenants in The Church of Jesus Christ of Latter-day Saints are promised protection from Satan's power, no matter in what form. Witchcraft is the religion of the Illuminati.

Note: Beware the path of yoga and the Reiki spirit guides. They operate in a similar function to deceive. Beware spirit healing. These are not God's authorized methods, and we play with fire when we seek to use them. Just because something 'works' doesn't mean it is good. End note.

Note: Remember, Moses used the power of God to turn his rod into a serpent. But the evil magicians also did so. Surely their operation was by the inferior but still real powers of the devil and evil spirit followers of the devil. Recall that the serpent of Moses devoured the evil magician's serpents, demonstrating that God is always more powerful than the evil ones. End note.

The Golden Dawn coven is the personal coven of the Rothschilds.

Freemasonry (p217): They get their signs tokens etc. from the Knights Templar of the middle ages, who in turn received them from the Gnostic Christians, who claim to have preserved the secret teachings of the Lord Jesus Christ after his resurrection, of which most Christians have no record. Freemasons were infiltrated by the Illuminati. High up Luciferian leaders hide with the cloak of good works by the lower people who do not know what is going on high up. At the top they worship Lucifer and plan evil New World Order things for the government.

Note: Freemasonry has some correct and ancient things, but it is a fallen order. Many early saints were involved in Freemasonry on a positive fraternal level. Indeed, Freemasonry was extremely common in early America, and was innocent. Later Brigham Young taught that with the restored priesthood, we don't need to bother with a false priesthood. There may be some use to Freemasonry even today, but with the restoration and with issues in the Freemasonry organization at higher levels, it seems best to not be involved in Freemasonry. End note.

See the book "Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry" by Albert Pike. This book is given to those who get to the 32nd degree of the program. On page 321 it praises Lucifer. On page 566-7 it says that the Prince of Darkness made Adam, that Demons forbade Adam to eat the forbidden fruit, and that Demons made Eve. Page 567 says that Satan created and controls the world.

Note: Curiously, the Devil doesn't just want to twist the truth, he wants a complete inversion of it. He begins with a little twist, but complete inversion is the end game. These lies lead to captivity and death. End note.

Albert Pike, a 33rd degree Freemason, wrote a letter speaking of using atheism to break down Christianity with violence, then to replace them

both with Luciferianism (reference in Bowers' book).

Another Masonic quotation praising the power of Lucifer and his coming rule appears in "The Lost Keys of Freemasonry" page 48, by the Illustrious Manley Palmer Hall of the 33rd degree.

Another Masonic quotation praising of Lucifer is from "Brother Eliphas Levi, The Mysteries of Magic." On page 428 it speaks of intellectual Lucifer being the Holy Spirit and controlling magnetism and being love and intelligent.

Why were George Washington, Joseph Smith, etc. Freemasons? It was not infiltrated by the Illuminati at that time.

George Washington warned his friends against the Illuminati in several of his letters.

Albert **Pike** was elected to the position of the Sovereign Grand Commander of the Southern Supreme Council of Freemasonry (see Mackey's Encyclopedia of Freemasonry p564). Pike was then contacted by the European Illuminati head Giuseppe Mazzini who made him **overseer of Illuminati activities in the US** (see Kirban, Satan's Angels Exposed, 157-8; and Ralph Epperson, The Unseen Hand [Tucson, Publius Press, 1985], 223.).

On September 20, **1870** Pike and Mazzini drafted a constitution that established an ultra-secret governing body of worldwide Freemasonry (joining European and American Freemasonry etc.), with main centers at Rome, Charleston, and Berlin. They put in that constitution a new super-rite for American Freemasonry (see Edith Starr Miller, "Occult Theocracy", 207-8, 215). The headquarters for American Freemasonry is at D.C. The name of the super-rite order was the New and Reformed

Palladian Rite, or New-Gnosticism. They taught that Lucifer is as powerful as Adonai. “It is **Lucifer who is worshiped within this Rite of Freemasonry**” (ibid). This the “Palladian Rite” is practiced at the centers afore mentioned of Charleston, Berlin, Rome, and Washington D.C. (see Kirban, 159).

Mazzini in a letter to Pike spoke of this highest rite to unite Freemasonry and maintain the people in the secret direction of their group, and to keep it in strictest secrecy (see Occult Theocracy, 208-9).

The Middle East has its form of Freemasonry called the Ancient Arabic Order Nobles of the Mystic Shrine. Bowers believes they worship Lucifer at the top also. It was adopted in America and is known as the Shriners. Similar oaths, punishments, tokens etc. are taken. William J. Florence brought it to America, and he was initiated by an Arabian diplomat (See Ancient Arabic Order Nobles of the Mystic Shrine: A Short History [Tampa, FL: Shrine General Offices, Apr. 1985], 3).

The Rosicrucian’s aka the Society of the Red Cross are a secret society like the Masons. They say their rites began with the Egyptians. They have similar signs tokens etc. as the Masons. They worship Ra the Egyptian sun god, which is also the Egyptian name of Lucifer.

Mackey in Encyclopedia of Freemasonry says the Templars, many of whom were destroyed in the 1200’s, joined with the Rose Croix (cross) and laid low for over 300 years. Then the two later merged with Freemasonry. Hence Masonry has orders (or levels) of the Rose Croix and the Templars.

Other organizations with similar rituals as the Masons are the Thule Society, the Skull and Bones, the Nine Unknown Men, the Club of Rome, DeMolay, and the Eastern Star.

Ch. 14 The Anti-Christ

The anti-Christ will act like God (2 Thes. 2:3-4). All major religions have a savior figure. For Christians it is Jesus Christ (to come in the sky). For Jews it is Messiah (to be born at Bethlehem). For Muslims it is Imam Mahdi. For Hindus it is Krishna (to come as reincarnated being). For Buddhists it is Maitreya (to come as reincarnated being).

Note: What role the specific Maitreya figure spoken of in this chapter plays in the winding up scenes I don't know, but some interesting points are made. This chapter covers claims of a specific Maitreya figure, and goes into various plots for the future anti-Christ. If it doesn't turn out to be the specific man spoken of here, many of the methods and plans listed here could be carried out by another. Check out <https://en.wikipedia.org/wiki/Maitreya> or <https://ldsfreedomforum.com/viewtopic.php?t=10352>. End note.

In 1962 child born in Middle East named Rahmat Ahmad, a direct descendant of prophet Muhammed, was bankrolled by the Rothschilds and is called "Lord Maitreya." He is called the savior figure all rolled into one for many of these religions. He was born Muslim yet he bares the Buddhist savior title. He travels the world performing miracles in India and London.

The new age will be a one world government oath with Lord of the New Age, Lucifer.

Deep meditation to connect with deeper self, the claims of 'deeper consciousness' allows evil spirits to enter you.

Note: Never give away your agency. Don't 'open yourself' for others to control you, from hypnosis to deep 'mindless' meditation, etc. End note.

Maitreya appears and vanishes like magic, and does healings between such. It's said he can speak all languages (like Satan). A forerunner for Maitreya is Benjamin Crème, who testifies of Maitreya, and says this is the man. Maitreya met with George Bush Sr. and Borbachev in 1989. He has been to Bilderberg meetings and other New World Order meetings.

He is deliberately kept out of the press for now. Upon his word, they'll have much press about him, like coming out all at once. Like the major coverage Barack Obama got all of a sudden. Obama was on Time Magazine cover 17 times. McCain who ran against him was only 5, and one of those with Obama.

Note: Obama too may yet have more parts to play in the winding up scenes. End note.

On the "Day of Declaration" there will be fireworks, a stage in the air, and powers of the devil helping him seem like he is coming from the sky. NASA's secret project "Bluebeam" is to help this spectacular cosmic display. They will induce earthquakes in precise locations, bringing up buried artifacts suggesting the validity of Maitreya. He will appear on the Mt of Olives at the time of an earthquake to look like Jesus Christ.

There will be microwaves simulating hearing, transforming sound signals into electrical signals which are processed at different frequencies and then applied to auditory complex of the brain, causing people to think the message from Maitreya is speaking to them in their heads. There can even be thoughts implanted into people's heads making them think they love Maitreya. Major audio appliances and embedded chips will cause people

everywhere to hear of this. A wave of suicides and psychological disorders will result.

On this day the Maitreya will be known by a new, unknown name. The Pope tell his people to follow the Maitreya as the Christ. Buddhists and Hindus also will.

Helena Petrovna Blavatsky occultist praises Satan and Maitreya his right-hand man. Helena is the first woman to become 32nd degree Mason.

Beware witchcraft. Lucifer is the god of witchcraft. They do healing via crystal balls. They appeal to the 12 chakras in the body and the third “eye” each person has. They use meditation to get ‘spirit guides’ which are evil spirits.

The Rothschilds want to build in Bodhgaya India, a holy city to them a statue of Maitreya Buddha 500 ft. tall (3x size of statue of liberty), built to stand 1000 years. There will be pneumatic systems (for movement) in it and auditory systems in it. This might fulfil Rev. 13:14-15: “14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. 15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.”

The mark of beast is 666. On the cap of the Pope it reads, “Vicarius Filii Dei” meaning the Vicar (representative) of God. The number values of this title come to 666. They don’t use this title on the cap anymore as it’s been shown to be this number. This will return, being worn on the cap of

the anti-Christ when he comes out.

The bar code also has 666 in it from the separator lines in a different code.

Chips to be put in us instead of use of credit cards, which have this UPC bar code which has 666 ubiquitously. It will also used to store data on us and our buying habits.

See the book 1984 by George Orwell which predicted many of these things.

Benjamin A. Rooge said with power over the economy, you can get most of them to think write and behave as you want them to. p237

Ch. 15 The Priesthood and the Constitution

In this chapter I will paraphrase quotes of teachings of the prophets rather than supply complete quotations. The only direct quotes are those which appear with quotation marks.

John Taylor said besides preaching of the gospel we have another mission: the perpetuation the free agency of man and maintenance of liberty freedom and the rights of man.

D&C 58:5-7 says more or less than the US constitution cometh of evil.

Ezra Taft Benson said we should use our influence to get honest wise men into public office. We must take active interest in public matters. All members have the responsibility to uphold liberty so the Church can flourish in the future. Our obligation to do this is just as binding as it is

with other laws of God.

Harold B Lee said all members should be actively involved in the political process.

Gordon B Hinckley said we desperately need moral men and women who **stand on principle** to be **involved in the political** process.

D&C 58:26-28 says we must do much good without being told to.

Ezra Taft Benson says people of the Church think they should wait for a church program for the Constitution fight, but perhaps **the Lord won't set such a program up because it would cause division in the church** and God doesn't want that to happen yet because **the wheat and the tares are not fully ripe**.

D&C 101:80 says the US Constitution was established by God.

Joseph Smith said the US Constitution is a heavenly banner founded in the wisdom of God, it is true.

Ezra Taft Benson said the Constitution is sacred akin to scripture. Some of the choicest spirits have been sent by God to defend it. Now more choice spirits, "even you who read my words," must preserve it.

George Albert Smith said the Constitution of US is just like the 10 commandments, and that we should "keep it where the Lord started it."

J Reuben Clark said the US Constitution could be in the D&C.

Note: We should also put the Family Proclamation, Restoration Proclamation, and the Living Christ in the D&C. The Lectures on Faith also could be added.

End note.

Brigham Young said the US Constitution is not perfect but “the Almighty has never found a man in mortality that was capable, at the first intimation, at the first impulse, to receive anything in a state of entire perfection. They (The Founding Fathers) laid the foundation, and it was for after generations to rear the superstructure upon it.”

Mormon 8:17, 19: says don’t condemn the things of God, if there are imperfections in them it’s because of man. Beware condemning God’s things if you want to avoid hell fire.

John Taylor says Joseph Smith told us that the last people to rally around the Constitution and save it from the grasp of unrighteous men would be the Elders of Israel. p247

Ezra Taft Benson said, “The devil has concentrated, and to a large extent successfully, in neutralizing much of the priesthood. He has reduced them to sleeping giants.”

Ezra Taft Benson called upon us to forsake our political and other sins and **return to fundamental Christianity and of constitutional government** or we will **lose our liberties**, free institutions, and **perhaps our exaltation**.

David O. McKay said, “If members of the Melchizedek Priesthood **allow the US Constitution to be destroyed** they not only **forfeit their rights to the priesthood, but to a place in the highest degree of glory** as well” (The Instructor, Feb. 1956, 34)

Ezra Taft Benson said the **complacent in the stand for freedom will regret** their position. So stand up and be counted for liberty. It may help

save your nation. **“It can help to save your soul.”**

The devil tells us to wait until we know more.

The devil says you’re busier with important things more than the gentiles so let them take care of this.

The devil says you want to be loved by everyone so don’t get involved. The freedom battle is controversial, you might be accused of engaging in politics.

The devil says wait until everyone in the church agrees on what is to be done.

The devils says don’t act, it might hurt your business or your family to get involved.

The devil says the world is corrupt and heading toward destruction so why try?

The war in heaven was controversial, and we were involved there! So do it again here!

Ezra Taft Benson said **even if it’s too late** to save the country, the fight for liberty will **still be counted unto us for righteousness** like prophets who taught nations that were to be destroyed.

Note: Remember, the Book of Mormon says it is our priesthood duty to warn people, or their sins are on our heads. End note.

Life is to prove ourselves. The final victory will be for freedom (Abe. 3:24-25).

Ezra Taft Benson said, “There is **no conspiracy theory** in the Book of Mormon, it is a **conspiracy fact**. Along this line I would highly **recommend** to you a new book, entitled “**None Dare Call it Conspiracy**” by Garry Allen.” (Gen. Conf. Apr. 6, 1972, “Civic Standards for the Faithful Saints”).

His telling us to read this was not in the printed version of his talk, it is something he chose to say while standing, so you won’t see that line in the transcript of the talk, but look up a video of it and you’ll hear him say it.

The groups Students for a Democratic Society (SDS), National Education Association (NEA), National Organization for Women (NOW), Greenpeace, the Wilderness Society, the Black Panthers, were all created to agitate us toward greater government control over education, race relations, the environment, etc.

Ezra Taft Benson said we honor our Founding Fathers. The First Presidency acknowledged that wisdom when they gave us the guideline of supporting political candidates “who are truly dedicated to the Constitution in the tradition of our Founding Fathers” (see the Deseret News, 11/2/64 for this First Presidency quote).

David O. McKay says support candidates who are aware of dangers inherent in communism and who are truly dedicated to the constitution in the tradition of our fathers, and candidates who support preservation of both personal and property rights. (See “Vote Your Convictions” Deseret News, Nov. 12, 1964)

Ch. 16 What Can We Do?

D&C 38:30 says if we are prepared we shall not fear.

Howard W. Hunter said, “The Lord has power over his Saints and will always prepare places of peace, defense, and safety for his people.”

The Family Proclamation warns that those who tear down family will have judgements of God on them.

Vaughn J. Featherstone said this is the dispensation also of the fullness of evil. That membership in the church alone won’t bring safety, insurance

companies can't promise you safety either. He said hosts of angels guard all our temples. He said, "There will come a period of time where even the elect will lose hope if they do not come to the temples. The world will be so filled with evil that the righteous will only feel secure within these walls. They will long to bring their children here for safety sake." He said, "Our garments worn as instructed will clothe us in a manner as protective as temple walls."

Note: That hints that angels will surround us protecting us as we wear our temple garments! As he said: hosts of angels guard all our temples. End note.

He said, "In a day of desolating sickness, scorched earth, barren wastes, sickening plagues, disease, destruction, and death, we as a people will rest in the shade of trees, we will drink from the cooling fountains. We will be as fair as the sun and clear as the moon."

He said, "Our children will bow down at his (Jesus Christ's) feet and worship him as the Lord of Lords, the King of Kings. They will bathe his feet with their tears and he will weep and **bless them for having suffered through the greatest trials** ever known to man."

Ezra Taft Benson said we are approaching the moment prophesied by Joseph Smith that when this nation will be on the verge of crumbling, this people will be the staff upon which the nation shall lean, and they shall bear the Constitution away from the very verge of destruction. p262

Ezra Taft Benson said the government owes you nothing, and that the Church won't tell you how to defend the Constitution, but admonishes us to do it.

Abraham Lincoln said teach the Constitution in schools and seminaries.

God sent choice spirits to make the Constitution, now other choice spirits, you, to preserve it.

“Yes, we will see that He sent special spirits willing to give their blood to defend our freedoms.”

Joseph Smith said God calls us to give our all, to be willing to lay down our lives. He said, “the faith necessary unto the enjoyment of life and salvation never could be obtained without the sacrifice of all earthly things. It was through this sacrifice, and this only that God has ordained that men should enjoy eternal life.” (Joseph Smith: Lectures on Faith, 58-60)

Beware the government saying they’ll save us from a crisis but needing to go against the Constitution to do so.

Kennesaw Georgia had a law requiring households to have at least one gun. Crime greatly decreased. p265

Thomas Jefferson said, “The strongest reason for the people to retain the right to keep and bear arms is, as a last resort, to protect themselves against tyranny in their government.”

Senator Hubert J. Humphrey said having arms is how to prevent tyranny, and history shows tyranny is possible in any nation.

Learn about the Original American Common Law Jury System (p266-7).

The Second Coming of Christ is to be shortly after year 2000. Earth’s temporal lifespan / history is 7000 years (D&C 77:6-7, 12).

From Adam to the birth of Christ, 4000 years passed (see Chronology chart in the LDS Bible Dictionary, p635). D&C 77:12 says the beginning of

the 7th thousand years is the time for “the preparing of the way before the time of his coming.” D&C 77:13 says of the events of Rev. 9 (destructions just before the Second Coming), “They are to be accomplished after the opening of the seventh seal, before the coming of Christ.”

Note: It appears we are in the little window of preparation for the Second Coming. End note.

Before the Second Coming of Christ, the gospel must be declared everywhere (see JSM 1:31; Moses 7:62; Rev. 14:6; D&C 133:37; D&C 90:11; Alma 29:8).

1 Ne. 14:12 says congregations of Saints will be all over earth before Second Coming.

Rev. 5:9-10 says people will become kings and priests, which means they’ll get temple ordinances.

Orson Hyde had a vision of about ½ of the people in the Church who left instruction from its leaders for protection from the enemy who later were killed in storm. They felt the Church leaders put too much strain on them so they left. (See the Journal of Discourses.)

Bruce R. McConkie said, “Gandianton robbers fill the judgement seats in many nations. An evil power seeks to overthrow the freedom of all nations and countries. Satan reigns in the hearts of men; it is the great day of his power.” He says amid this there are revelations and glory to the faithful. He says, “The way ahead is dark and dreary and dreadful. There will yet be martyrs; the doors in Carthage shall again enclose the innocent. We have not been promised that the trials and evils of the world will entirely pass us by.” He says, “take the side of the Church on

all issues, both religious and political.” (See “The Coming Tests and Trials and Glory” Ensign, May 1980, 71)

Best way to start acquiring precious metals is to buy junk silver coins minted prior to 1965. After that the silver content was gradually reduced and now there is zero.

W. Cleon Skousen had many people report to him **visions** of the future they had in the Church, he compiled them and found these motifs running through most of them:

- Regular Priesthood channels have members and their food storage taken to tent cities.
- The tent cities are for us to live out the time of the major destructions upon the earth.
- They had to leave everything for this.
- Some stayed behind and mocked.

Ch. 17 Where the Spirit of the Lord is, There is Liberty

Note: The scriptures teach that the spirit of freedom is the spirit of Christ (2 Cor. 3:17, James 1:25, Rom. 8:21, Alma 61:15, 3 Ne. 21:4). End note.

Benjamin Franklin said, “Whoever will introduce into public affairs the principles of Christianity will change the face of the world.”

George Washington was seemingly invincible. There were 4 Bullet holes in coat. An Indian chief with immense skill shot at him 17 times and missed.

People with orders to burn all American ports in 1746 were stopped on their way by a vast storm in the middle of a sunny day and a plague which killed 2000 and made 4000 deathly ill.

Forty one years before the restoration of the Church, the Constitution came into being.

Patrick Henry said the US was not founded by mere religion, but by Christian religion.

John Quincy Adams said the US connects with an indissoluble bond the principles of civil government with the principles of Christianity.

John Jay said in the US we prefer Christians for our rulers.

James Madison said in the US we govern ourselves by the 10 Commandments of God.

George Washington in his farewell address said national morality can't prevail in exclusion of religious principle.

Thomas Jefferson said Christianity is a friend of government as it's the only religion that deals with the heart.

Several Supreme Court rulings in favor of Christianity as ruling principals shown in Bowers' book page 284-5.

William McGuffey in the preface of his McGuffey's Reader said Christian religion is the religion of the US. On its doctrines are founded the peculiarities of our free institutions. His readers, teaching children to read, spoke of God and angels helping mankind, of keeping Gods

Sabbath, how God sees children in school, and how humans are on earth to improve themselves lest they sin against their Maker.

In 1980 displaying the 10 Commandments in school was outlawed. P288
See America's Godly Heritage by David Barton.

Note: Notice how before that nobody cared. They wanted these displays. They didn't see it as a violation of the constitution. Not even the Founding Fathers saw it as a violation. The separation of church and state is to mean that the state can't get in the way of the people who want to express their religion. End note.

Liberty is an inalienable right which comes from God.

Ezra Taft Benson said, "There is one simple test for the constitutionality of a principle: **Do I as an individual have the right to use force on my neighbor to accomplish this purpose?** If I do, then I may delegate that power to my government to exercise it in my behalf. If I do not have that right, I may not delegate it."

Compulsive benevolence is not charity.

Daniel Webster said, "There is nothing so powerful as truth- and often nothing so strange."

Epilogue:

The movie Teahouse of the August Moon says pain makes man think, thinking makes man wise, and wisdom makes life endurable.

President Heber J. Grant called J Reuben Clark, a constitution scholar, to be an Apostle so he could warn the saints of political dangers coming.

President David O. McKay had Elder Benson give liberty talks.

Bonus Lecture: Satanic Ritual Abuse (SRA)

This lecture was found at latterdayconservative.com

James E Faust gave a talk against Satan and all his devils. He says be careful with the devil, but that Brigham Young said that it's important to study evil (to know what we are up against etc.).

There was a Satanic group in which you were required to get on Prozac to be a member.

The Glen Page document is of 800 Mormons who were in Satanic rituals to abuse children. They brainwash them with drugs.

There have been several children burnings in several countries

These terrible things happened in the Book of Mormon as well.

The Federal Reserve and Council on Foreign Relations and a religious branch are 3 branches of the Satanic Ritual abuse.

The name of the religion of the elites is Luciferianism, the worship of Lucifer, and it requires human sacrifice, usually children. Whenever we see human sacrifice it is Satanic. When the Old Testament says they made their children pass through the fire this is what it's talking about.

It is claimed that there are members and leaders in the LDS Church who practice SRA.

Note: These claims should be treated with high skepticism, as we know it is a common practice to blame church leaders of various things to discredit the church. Claims of this nature should be submitted to police and investigated. If they are founded people should be punished to the fullest extent. If the claims are not founded, we shouldn't keep saying they might be. I do not focus on or make specific accusations. End note.

People are able to turn against the Church and become devilish. Christ had his Judas. Joseph Smith and John C Bennet, the William Higbee brothers, and others who at one time thought he was a great prophet then turned and sought his blood.

Note: There are some sad realities. The parable of the Ten Virgins, for example, tells us that half the Church isn't in line with the Lord. We can't forget that human nature is fallen. We must be watchful for wolves among the sheep. The wheat is growing up with the tares. End note.

Petrona Blavatsky founded Wickery, a New Age group which is the new kind of witchcraft. She was funded by the Freemasons, and is Luciferian. Magic, 3rd eye, etc., this is all evil.

Doug Millar was LDS and has been excommunicated. He believed the General Authorities did Satanic Ritual Abuse as a policy. He was a bad guy.

Dr. Tru Ott is an excommunicated member of the Church, he made ridiculous reports of top General Authorities doing SRA, that there is an altar for sacrificing children under the SLC temple. This is ridiculous. He is a liar. The holder of the master key of the temple that lets him in to the

Holy of Holies etc. reports that there are 4 levels under the temple, and the bottom one is filled with family history things, not alters.

There are people who have flashbacks of their childhood of dark rooms, people in robes, knives and blood, and children being sacrificed on alters.

Children who are victims of Satanic Ritual Abuse get split personalities. One is the front normal one. Another is a Manchurian candidate personality where they're told to do something like murder, and once they do it they snap out of it. The third personality is the one that has a vivid recall of what happened, such is pushed back, and they try to forget that personality exists.

The Children who see the Satanic Ritual Abuse are lied to concerning the identity of the murderer. The children are told that the person with the knife doing the sacrifice is Gordon B Hinckley, or Thomas Monson, or Boyd K Packer, to get the child to believe such, and this is to denigrate and possibly destroy the restored Church. They will believe it strongly and fight to the last breath saying they saw them do that.

Note: As we see, some cases involve honest people reporting what they were told. It's just that what they told was a lie. Arrangements are made to deliberately deceive the senses. End note.

Even though the truth can be ugly, it's always empowering to make correct decisions to allow us to save ourselves from the evil of today.

One therapist tapped into a subconscious of one who did evil, he found an evil spirit inside the person, a report was made on it. Ken Bowers took notes and recalled that the therapist asked him why he does these evil things, the spirit said it's because he must. The spirit was asked if there was someone above him making him do this; the spirit said if there was

someone making him do it, it would be below him not above him. In Jesus Christ's Church, we have people who have authority over us all the way up to Jesus himself. In Lucifer's Church it's the opposite, their authority is under them until the very bottom, Lucifer.

Note: There is danger in the entire field of therapists tapping into subconscious. Often people hatch up memories of things that simply didn't happen. Anne Blake Tracy, expert on the dangers of SSRI anti-depressants and anti-psychotics, reports that these medications can give people false memories. End note.

You can tell what's a doctrine of men and what's originating from Satan as those from men go on tangents away from the truth, but those of the devil are totally 180 degrees from the truth. They say Lucifer is the Son of God and that Jesus is the imposter, which is totally the opposite of the truth.

Note: Another philosophy which is completely the opposite of the truth is evolution theory. Evolution says man came from the lower order of animals and rose up, but Christianity says man came from God and fell down. Evolution also gives basically the opposite order for the days of creation. Evolution teaches that life came into the world by death (millions of years of natural selection via survival of the fittest), whereas Christianity teaches that death came into the world by sin. Christianity says to help the downcast, evolution says to kill the weak for the good of humanity. Hitler's racist and eugenical philosophies were rooted in Darwinian evolution, for example. Look up Dr. Hovind Seminar 5 The Dangers of Evolution. The restored Church has taught against evolution for 200 years and has multiple authoritative First Presidency statements specifically condemning evolution. Sadly some secular evolution advocates in the church today have pushed for some anonymous church magazine statements and web pages to go soft on evolution and try to say the church has no position on evolution, despite the clear positions taken in the 1909 and 1925 First Presidency Statements. End note.

99.9% of Free Masons are good people who do good, there's no question about that; but they aren't the ones in control of Freemasonry. At the very top of Freemasonry and Satanism Witchcraft and Luciferianism. The intake ceremony for witches is the same as the of top levels of Freemasonry, word for word.

Joseph Smith said Freemasonry is apostate temple worship copying the real thing. Joseph Smith, George Washington, first 5 Presidents of LDS Church were Freemasons in the 1840 era; this is because that was the time before the Freemasons went bad up top.

May 1, 1776, Illuminati were formed. Adam Weishaupt the founder was a Luciferian. They had a rite called The Palladian Rite which introduced its members into the worship of Lucifer. Illuminati saw Freemasonry, how it was secretive, and wanted to get into it. In 1784 Illuminati got in to Freemasonry, introducing the Palladian Rite at the top levels.

There were 2 centers of Freemasonry in those days, European and American. George Washington said the Illuminati got into the European Free Masonry, but that American Free Masonry wasn't infiltrated. So they didn't have the Luciferianism in it. Hence Joseph Smith and George Washington etc. could be in and not detect the devil in it, as he wasn't in it.

But in 1870 European and American Freemasonry. Josepi Mozini and another man did this. They made it all under one head and introduced the Palladian rite to the new big union.

Berlin, Rome, and Washington D.C. are the only places which administer the Palladian Rite today. The local head of Freemasonry won't know anything about it.

Top level Freemasons and other conspirators hide behind the good works of the lay men to look like a good organization, but since it's lead by evil men, it's an evil organization. Not even the 32nd degree of Free Masons is told about the evil at the top of the organization.

What is the evil that Freemasonry does? Influencing politics, the advisors, the power behind the throne. They seek to establish the New World Order.

33rd degree Masons are interviewed to see if they are Christians and whether they would spit on the cross. If they say they are not Christians and would spit on the cross, they can go up in the organization. Those who are Christian and who won't spit on the cross don't get to move up higher. Those who hate Christianity are the governing powers of Freemasonry.

We read in history books that Christians accused others of being witches and burning them. The truth is that the witches were accusing the Christians of being witches and having them burned so they could take their property.

The Pod Family who came over on the Mayflower were witches. More witches came too. The witches were lazy, and the Christians would work hard, and the witches took the Christians' riches by pretending to work hard and getting into political power. They would become Sheriffs etc.

The accusers in the Salem witch trials were all teen-age girls, and were children of witches, and they were told that when they brought someone before them, to accuse them of being witches. 18 women and 2 men were killed for being accused of being a witch. These young women accusers

would fall on the ground and bark like dogs, howl at the moon etc., saying that the witches had put bad spirits into them.

Once the Christians were killed for being accused of being witches, the witch Sheriffs would make sure that the auction of the property of the killed person would fall into the hands of the witches. Those killed from being accused of being witches were people who had no posterity to inherit their property like old widows. These were people from whom they could get the property.

Morals and Dogma by Albert Pike is the book the Freemasons give the 32nd degree Masons for instruction. On page 321 it praises Lucifer. Page 566 says demons told Adam not to eat the fruit and that Lucifer made Adam. It says an angel of light, Satan, induced him to transgress, but that the demons made Eve who messed things up even more. It says that Lucifer created and governs the visible world.

Ken Bowers has 20 lectures he gives, he says contact him and he will come present them to you in your home or to your group.

Sharon Williams at age 3-9 was a victim of SRA. In her late 30's the memory of such returned, plaguing her through the night. She had multiple personalities, believing one thing one day and another thing another day. Her answers were the answers they programmed in her to answer. She was driven with terror to obey those who programmed her.

You can look up the effects of this abuse and thus be able to notice this in victims. She has a book on her life story and healing.

Satanic Ritual Abuse is much more common than we believe.

If the abusers can't split the personality of their child victims they will often slay them.

Cristi Greenouch was held under the water in a barrel by her ankles until she was about to drown, and they said to her "see, Jesus didn't save you, we did." She was about 9. Her spirit checked out of her body while they did these abuses to her. She saw Jesus holding her spirit while the evil men hurt her body as she recalled these times, and she asked Jesus why he would allow this to happen. His response to her with tears in his eyes was that he allows this to happen because of the agency of man, but that he never left her during the hard times.

Satanic Ritual Abuse investigators report that there are 8 Satanic Ritual Abuse groups in Utah.

See the book *Twenty-Two Faces* by Judy Byington on the story of Jenny Hill who was split into 22 personalities. See <https://a.co/d/003DPzXt>. Dr. Greenbomb is the name of the man who programmed her.

Thirty years after the Satanic Ritual Abuse human programmers came is when the people began to have a fear called "The Satan Scare."

Human programmers have ways they access the mind and control them by calling out the names of certain alters and so forth.

Childabuserecovery.com is a website to support stopping Satanic Ritual Abuse recovery and other government mind control issues.

Ivory Garden is a network of about 3,000 survivors of Satanic Ritual Abuse.

See the book *Rabbit Hole: A Satanic Ritual Abuse Survivor's Story* by David Shurter.

Chris Anderson speaks of a Catholic monastery with catacombs beneath it where the women (including herself) were raped. She felt blood being pulled out of her soul while standing there and called upon God for help.

It takes 30 minutes for an abuser to split a child's personality. There is a ritual to it. The abuser can grab them, do this to them for 30 min, then put them back on time to catch the bus for school. The child may not know what went on but will not feel right. Then they may grow up with all kinds of compulsions and anxieties etc.

Note: But when a person has anxiety it doesn't necessarily mean they were the victim of forgotten abuse as a child. There's also a tendency for people to think things happened which didn't. They don't remember anything about it until much later in life, and some therapist tells them they must have been abused. While saying this, I also recognize the reality of those who really have been abused who also may not recall things until later due to programming. I'm saying be cautious and don't jump to conclusions. End note.

When a child says they don't feel good about a certain leader or doctor etc., trust them and don't make them see that person.

Satanists are willing to die for what they believe.

Brandon Scott Lecture:

The Bayer family changed their name to Rothchild. From them comes the funding for Satanic Ritual Abuse and Illuminati.

They say the power in their order lies in its concealment. They take existing organizations and infiltrate them from the top down.

Albert Pike is one of the main people involved. He also is the only General with a statue in Washington D.C.

Webster's 1828 dictionary says the root word of combination is conspiracy. (As in 'secret combination,' the phrase Joseph used in the Book of Mormon to relate its message.)

See the book Proofs of a Conspiracy by John Robison written in 1798.

Operation Paperclip is about CIA conspiracies.

Darin Brown in "The Experiments of An Assassin" Shows that Satanic Ritual Abuse and torture and fear of drowning etc. can engage mind control on people.

The Eagles' album Hotel California is laid out in Luciferian language. The Hotel California is the Church of Satan. ('You can come anytime you want, but you can never leave.')

The Led Zeppelin song "Stairway to heaven" it was written by Allister Crowley in his mansion, then when the Zeppelin band reported writing the song, they said they just picked up the pen and the song wrote itself.

J. Reuben Clark and David O McKay said they were living in the biggest era of propaganda that the world had ever seen.

J. Edgar Hoover said that in America the people will be faced with a conspiracy so large that they will question whether it exists. This goes back to the 1400's and is a family blood line. It involves incest and rape.

The Glen Pace report was on Satanic Ritual Abuse (SRA). He was asked to do research on this by President Ezra Taft Benson. See

Who Really Rules the World, and What Can We Do About It?

Ken Bowers' work highlights the many important hidden truths about how modern society is run. Learning these things can empower us to mount a defense against those who seek to destroy both body and soul. W. Cleon Skousen praised Bowers' *Hiding in Plain Sight* as one of the best books on the subject.

The enemy is on the move, and so must we be if we hope to uphold the few remaining freedoms we have. Revelations from Bowers may surprise you, but it's better to know the truth than to live in ignorance & slavery. Only the truth can set us free.

Don't think that these corrupt institutions are just hiding away in black robes and top secret circles (though some surely do that). From our schools to our popular government policies, these secret combinations are everywhere. They are, as Bowers says, hiding in plain sight.

Come explore hidden realities pertaining to the Federal Reserve, public education, welfare, media, foreign policy, 9/11, new world order government & religion, secret groups (Illuminati, Round Table, Trilateral Commission, Bilderberg, Committee of 300), and more.

The good news is that God's people can rise up and stop voting for evil, stop tolerating evil, and begin to build a godly kingdom based on the principles of the Constitution. Here we will look at teachings of many inspired teachers and prophets about how to pull this off.
